Relocate grade separations in MARGE rail project here

By LISA LUTZ for the Press-Record
The St. Louis Metro Area Gateway Enterprise (MARGE) has apparently reconsidered the location of new grade separations (underpasses and overpasses) in the Granite City area.

The original and costly studies from MARGE indicated that a grade separation was needed at Maryville Road at Route 203 (Nameoki Road).

MARGE representatives told concerned Granite City citizens at a public meeting Thursday night that after more extensive studies, it was decided that grade separations would be needed at West Pontoon Road, and possibly at Route 162, near Maryville Road, rather than at the Maryville-203 crossing near Granite City High School North.

MARGE, the planner for the major railroad relocation, has plans to reconstruct and relocate those railroad yards not operating at maximum efficiency.

The proposal will hopefully generate more railroad transportation and encourage present industry to stay. The plan incorporates numerous changes, including upgrading McKinley Bridge and the extension of Route 3 to Interstate 55-70.

Although this plan will hopefully

generate more railroad traffic through the area, vehicular traffic would not be affected, as the trains would be able to move faster, with less yard switching. Presently, the yards cannot handle the volume of trains, which, as a result, are left standing on tracks for long periods of time.

The projected cost for the entire MARGE proposal is \$670 million. Cooperation from the Federal Railroad Administration (FRA) would be needed, as well as support from the government, to obtain federal money.

The FRA has indicated that it would finance \$50 million and is in favor of the project. Other funding options include selling revenue bonds and using revenue from new industry.

Concerns by Granite City residents who are now working in various railroad-related jobs. Frank Madonia, deputy in chief for MARGE, informed them that this project requires Illinois Commerce Commission (ICC) approval and there will be conditions of job security attached.

There are approximately 4,271 people working in railroad-related jobs and the ICC would guarantee those jobs for six years. After the six years, MARGE projected that only 27 persons could lose their jobs if no additional business

is generated, but they feel this is highly unlikely.

Tyrene Pace of MARGE indicated other feasible uses for the land that would be cleared as a result of yard and railroad relocation. The Illinois riverfront could become the site of new housing developments, a sports stadium, a boat marina and a possibly an extension of the Jefferson Memorial Park.

A redevelopment corporation would be formed, so the tracts of land would be sold to developers in coordination with the redevelopment project.

Charles Hammond, an engineer from MARGE indicated that, as new needs become evident, changes could be made even when the plans are finalized. "We're not slamming the doors on any options," said Hammond.

An estimated eight years is projected for the completion of this project and work could begin as soon as next year. When plans are complete, the draft will be available for public viewing and Madonia encourages the citizens who will be affected to express their concerns and appreciations for the project.

"The business generated should breed a better economic environment," said Madonia.

Illinois representatives and congressmen were invited to the meeting, but none attended.

Seek gas tax revision

Representatives Jim McPike (D-Alton) and Sam Wolf (D-Granite City) want to amend Governor Thompson's gas tax plan to prevent oil companies from passing on to consumers the five percent tax on gross receipts.

"Gasoline prices are already much too high and Thompson's gas tax proposal will only mean that we will have to pay more," McPike said.

"Our proposed amendment will require that the gross receipts tax be paid out of the enormous oil company profits rather than out of consumer's pockets," Wolf said.

In his speech to the General Assembly Tuesday, Thompson said the burden of his five percent tax and oil company gross receipts, which he said is needed to provide funding for Illinois mass transit and highways, would be shared by both the oil companies and the consumers.

"Although Thompson claimed that the oil companies could write off 46 percent of the gross receipts tax on their federal income tax, there is nothing in his plan to guarantee that the oil companies would not pass on to consumers the whole tax," McPike said.

"The Thompson tax plan is just a hidden tax increase for customers," Wolf said. "He should drop this deception and present his plan as it really is—an increase in the pump price of gasoline."

The two legislators said their amendment would protect the consumers by prohibiting the oil companies from passing the tax through to the consumer at the retail level.

"Although Governor Thompson made the arbitrary decision that such an amendment would be unconstitutional, we don't accept that reasoning," Wolf said.

"The constitutionality of similar prohibitions is being tested in courts in New York and Connecticut," Wolf said. "Until those cases are decided, no one can say absolutely this amendment is unconstitutional."

The two said they were willing to amend the Thompson proposal now and let the Illinois courts decide the question of whether it is constitutional. Without the amendment, there is no doubt the consumer ultimately would pay the bill for the tax; let the courts decide, the two said.

Although the two Democrats said they had other problems with the Thompson proposal, they indicated that the amendment, which is supported by a coalition of several Chicago, suburban and Downstate Democrats, was one of the first priorities in dealing with the Thompson tax plan.

A 13-year-old boy who apparently frightened a burglar in his home in a Springfield, Ill., home invasion was knocked out, strangled and apparently

left for dead about 5:25 p.m. Thursday. Jesse Lancaster, 13, was found by his grandmother, unconscious with a white dish towel wrapped tightly

around his neck. He appeared to have stopped breathing and was very red in the face, she said.

When she removed the towel, he began gasping for breath and coughing. She found her telephone was out of order and ran to a neighbors to summon police and an ambulance. Jesse was taken by a Granite City ambulance to St. Elizabeth Medical Center where he was admitted with a fractured larynx and neck injuries.

Police talked to the grandparents, Lamon and Julia Lancaster and discovered a note had been left on a table in the house which read, "You won't be so lucky next time Lamon."

The house had been ransacked and several items broken, but it is not known if anything was stolen. It appears a bottle of whiskey was opened and a small amount consumed by the intruder.

Legislators to hear Reagan

President Ronald Reagan will visit the Illinois state capital on Wednesday for a day of public appearances. The General Assembly. He will speak at the chambers of the Illinois House of Representatives in the State Capitol. The president is expected to arrive at Springfield Capital Airport aboard Air Force One at 12 noon, stopping first at the Illinois National Guard terminal at the airport to answer questions from the press.

Mr. Reagan's talk to the legislature is tentatively set for 1 p.m. He is to depart from Springfield for Washington, D.C., at 2:30 p.m.

The president is seeking to build public and legislative support for sweeping cutbacks in the rate of in-

crease of many portions of the federal budget.

Some present federal responsibilities are to be shifted to state and local governments, with specific funding levels decreased and the revenue returned from Washington in block grants.

The president during the weekend said he will not lift the grain embargo against Russia at this time and that any summit meeting would have to include discussion of "the imperialism of the Soviet Union."

So far, his proposed spending cuts and tax reductions are progressing through the Senate, but House leaders assert they will alter the form of some of the budget cuts and will oppose three-year tax slashes.

GC youth killed; 22 hurt

Jesse Levard Jr., 17, Granite City, was killed in an auto accident Friday afternoon in St. Charles County, Mo., and 19 people were treated or admitted to St. Elizabeth Medical Center for injuries in unrelated motorcycle and auto accidents.

Three persons were injured in that accident.

According to the Missouri State Highway Patrol Mr. Levard died and three companions were injured when their car rolled over at 4:30 p.m. on U.S. 67, just north of Missouri 94.

The car, which was reported traveling at high speed, went off the shoulder of the road on a curve and rolled over several times, throwing all four from the car, the Highway Patrol said.

Mr. Levard was pronounced dead at Christian Hospital Northeast. Two passengers in the auto, Angela Simpson, 16, and Dawn Langford, 16, both of Granite City, were in satisfactory condition at the hospital.

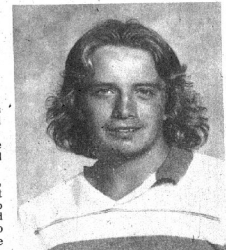

Further information about Mr. Levard may be found on the obituary page of this issue.

The car was driven by Gordon Pierson, 21, of Granite City. He was listed in serious condition at the St. Louis County hospital Friday night.

Elizabeth Medical Center for injuries in motorcycle accidents were, Carol Davis, 23, of 323 West Chain of Rocks Road, who was treated for pain to the left hand at 10:38 p.m. Friday and released.

Gregory Pryor, 19, of Granite City, was admitted with abrasions to the left wrist, nose and other facial cuts. Phillip Pryor, 14, Granite City, was x-rayed and released after treatment for pain to the left shoulder and back. Both were taken to the hospital at 12:14 p.m. Friday.

Clay Hambrick, 25, and his wife, Delores Hambrick, 25, of Ferguson, Mo., were involved in a motorcycle accident and taken to the local hospital

SIUE plans Hospice training in England

Southern Illinois University at Edwardsville will offer a two-week work-study trip to a leading British hospice, June 27-July 11.

Sponsored by the Office of Continuing Education and the School of Humanities, the trip will include working days at St. Luke's Nursing Home in Sheffield, England, approximately 200 miles north of London.

Hospice units specialize in the control of severe pain and other distressing symptoms that usually accompany dying. The goal of the hospice is to maximize the quality of life that

remains and to respond to the needs of the dying and their families.

Courses will include a two-day orientation, at least one day each with the morning and afternoon work shifts on the in-patient nursing team, a chance to experience the overnight shift, a day with the hospice's day unit, a morning with the physical therapist, doctors' and medicine rounds for nurses, and individually scheduled time with the hospice's social workers, home care staff, chaplain, volunteer director, administrators, and other personnel, as well as a debriefing period.

Study and nursing activities will be coordinated by Charles A. Coor, professor of philosophical studies at SIUE. Eight continuing education units will be granted to those participating in the trip, with the possibility of academic credit arranged for those who desire it.

Registration for the trip will be contingent on transportation costs and monetary exchange rates but should be under \$1,200, Coor said. Registration will provide for one round-trip air fare flying directly from St. Louis to London, round-trip train fare from London to Sheffield, and accommodations on a bed-and-breakfast basis for 13 nights within walking distance of the hospice. Lunches and dinners can be obtained at minimal cost from St. Luke's.

Individual arrangements can be made for those who wish to join the group in England or who wish to remain in the U.S. for a longer vacation.

Although the activity will mainly be a study-work trip, ample time will be set aside for sightseeing, shopping, and experiencing the British culture. Sheffield is on the edge of the Der-

New GC zoning ordinance is nearing completion

By GARY SCHNEIDER of the Press-Record

Granite City could have a new comprehensive zoning ordinance within weeks, according to Mayor Paul Schuler.

"We are almost ready to propose it. It's almost ready," Schuler told the city council at its last meeting. The zoning document will update all of the city's zoning requirements for housing, mobile homes, businesses, industries and subdivisions.

Schuler predicted, "It is such a tremendous change, it will require a few weeks of study after the council gets hold of it."

The mayor said the zoning code and ordinance would have been completed months ago if Tom Wobbe, senior planner of the

Southwestern Illinois Metropolitan and Regional Planning Commission

(SIMARPC) had not left Granite City to go to work for Belleville. Since he was the

Plan sale of live fish

The Madison County Soil and Water Conservation District will sponsor the sale of fish for those wanting to stock their ponds. These are pond-grown fish: channel catfish - 4-6" at 20¢, 6-8" at 30¢, and 8-10" at 45¢; hybrid bluegill - 2-3" at \$40 per bag of 250, 4-5" at 35¢, and bass - 3" at 35¢ each. There is a minimum order of \$15.

The fish will be delivered to the Soil Conservation Service Building parking lot on Old Alton Road in Edwardsville on May 6. Fish must be ordered in advance and District Chairman Virginia Smith requested early reservations, since quantities are limited. Containers of pond-water are needed for transporting the catfish, bass and 4-5" bluegill. The 2-3" bluegill will be bagged, allowing one gallon of water for each four to six fish. Orders must be placed before April 30 at 656-4710, or by mail order to P.O. Box 482, Edwardsville, or stop by the Madison County Soil and Water Conservation District office.

Presenting the colors were Tony Mainridge and Eric Brinker along with John McGee, David Courtis, Chris Gushieff, Tyrone Mason and Steve Mainridge. The invocation was led by Father Conrad Motola followed by dinner. After the banquet, Cubmaster Ballew introduced all the members of the Cub Scout committee and thanked Helen Baran for her help with the banquet. He then introduced those at the main table, which included, Troop 47 Scoutmaster Ralph Kern and his wife Louise, Scouting Coordinator Mike Sikora and his wife Vera, Pack Committee Chairman Paula Ballew, Assistant Cubmaster Gene Coerver, honor guests Mr. and Mrs. Ron Lubben, Ted Scrum, St. Mary's pastor, Father Conrad Motola and executive officer, Father Melchior Toczek. Cubmaster Ballew and Assistant Cubmaster

Coerver assisted by Den Leader Larry Brinker of Den 2, Den Leader Dave Courtis of Den 1, and Webelos Leader Mike Billeby presented the following awards: Bobcat badge to Myron Brent and Chris Taylor; Wolf badge to Tyrone Mason, Royce Mason, David Courtis, John McGee and Steven Mainridge. Progress ranks to Michael Harper and David Dorris; fall round-up patch to Chris Taylor; athlete award to Tyrone Mason and Willie Affeldt and dinner award for Den 2 to Jeff Coerver and assistant denner to Chauncey Mason. A thank-you gift, a set of stamps, was presented to Mike Mainridge by Den 2 for his help as den chief.

Year pins were presented, a three-year pin to Gerry Coerver, 2-year pin to Willie Affeldt, 1-year pin to Eric Brinker, Jeff Coerver, Chris Gushieff, and Anthony Mainridge. Year pins were also presented to members of the cub pack committee by Committee Chairman Paula Ballew to Bob Noud

for 15 years, Lucille Broadway for 7-years, Richard Ballew for 6-years, Paula Ballew for 6-years, Gene Coerver for 3-years, Larry Brinker for 1-year and JoAnn Gushieff for 1-year. Thank-you gifts were also presented to the committee members and to the priests. The Cub Pack "Traveling Award" was presented to Den 2 for this month. Benediction was led by Father Motola, followed by entertainment by the Bahok Indian Dancers of Collinsville under the direction of Frank Arcori.

Cubmaster Ballew closed the program by reminding all of the Spirit of Scouting.

FACES SIX CHARGES
Richard L. Patterson, 33, of 204 Sixth St., Madison, was arrested when police alleged seeing his car traveling at 75 m.p.h. in a 55 m.p.h. zone on Route 3 at North Street last week. He was charged with speeding, failure to have a valid driver's license and failure to have valid registration for his car. Three contempt of court warrants alleging he failed to appear on charges of resisting arrest, fleeing from police and speeding also were served on him and he was jailed, police said.

GC girl in state Teen-Ager Pageant

Kristy Marie Jorgensen, 16, daughter of Mr. and Mrs. Edwin Jorgensen of Granite City, has been accepted as a finalist in the 1981 Illinois National Teen-Ager Pageant to be held at the Holiday Inn-Holdom and Millikin University's Kirkland Fine Arts Center at Decatur, April 24 through April 26.

KRISTY JORGENSEN

The pageant is the official state finals to the Miss National Teen-Ager Pageant, scheduled in August at Fort Myers, Fla. Contestants will be judged on scholastic achievement, leadership, poise, personality and appearance. There is no swimsuit or talent competition.

Miss Jorgensen, a student at Granite City High School North, is involved in the Extended Classroom segment of the Granite City School District's Off-Campus Education Program, working in the area of cosmetology. She is a recent National Honor Society initiate and her hobbies include roller skating, dancing and playing music.

Miss Jorgensen is being sponsored in the contest by the Pontoon Beach Lions Club. Contestants from all sections of the state will compete for the title of Illinois' National Teen-Ager.

Little progress is cited from negotiating session

The two unions representing Madison County employees, the Teamsters and the American Federation of State, County and Municipal Employees, are jointly asking that a special meeting of the Madison County Board be called to discuss jurisdictional matters.

At a two and one-half hour negotiating session yesterday evening, little progress was made in convincing the county to recognize an agreement between the two unions on which union represents which employees.

County board negotiators would prefer to have all of the employees represented by one union and have

refused to sign a contract with either union during the jurisdictional dispute.

According to Pam Dymas, president of the AFSCME local representing many county employees, "There is no problem between the two unions, but they (the county board) thinks there is."

"We would like to have a special meeting of the board to explain that, but they told us we will probably have to wait until the April 15 regular meeting and we don't want to wait that long," Mrs. Dymas concluded.

Pack 13 pinewood derby

Cub Scouts of Pack 13, St. Elizabeth Church conducted their annual pinewood derby last week with 25 cubs entered the race. Each cub scout fashioned and crafted his own racing car with the aid of a parent.

Alan Taylor, cubmaster, announced the rules and said there would be three winners from each age group: eight, nine and ten year old classifications. He added the final race would be the nine finalists racing for the three top places for the trophies of the pack. Taylor presented a participation "Grand Prix" blue ribbon to each cub as he began his initial race.

Cubs of Den 1 raced first with David Planitz receiving first place; Mike Kromroy, second place; Ben Heintz - third place and Stephen Jachino, fourth place.

Cubs of Dens 2 and 3 raced next, with the following cubs participating: Eric Achenbach, Brian Bjorkman, Carl Chomko, Stephen Friedel, Charles Hackethal, Dennis Lucido, Dan Niles, Mike Patterson, Richard Schaus, Eric Slover, Jerry Thompson and Stephen Uram. The winners were: Stephen Friedel - first, Brian Bjorkman - second and Stephen Uram - third.

Cubs of Den 4 entered in the race were: Jimmy Knobloch, Eric Lane, Bryan Neidhardt, Scott Roy, Roger Schrenk, Mike Taylor, Jeff Thompson, Eric Wolf and Joey Yurko. Winners were: Jimmy Knobloch - first

Bryan Neidhardt - second and Scott Roy - third. The final race consisted of winners of the individual races. Winners of the decisive pack race were: Stephen Friedel - first; Brian Bjorkman - second and David Planitz - third. These three cubs received trophies from the Cubmaster, Alan Taylor.

The nine winners of the three individual den races will be eligible to participate in the Regional Pinewood Derby at the Chouteau Township Building.

Judges for the race were Raymond Gaudette Sr., unit commissioner; Ron Luebner, district commissioner; Glen Hommert, unit commissioner and Marvin Wiedemer, Scoutmaster of Troop 13. The race was conducted by George Friedel, Ron Jachino, Dennis Lucido and Jim Chomko.

Parents were invited to see the display of small wooden stools made by cubs of Den 4 at the den meeting instructed by their den leaders, Joe Thomas, Mrs. Janet Neidhardt and Mrs. JoAnn Yurko.

Stolen truck located, man in it arrested

Edward R. Pearson Jr., 26, Washington Park, was apprehended by police last week in the 2200 block of Washington Avenue while lying on the front seat of a green pickup truck allegedly stolen earlier in St. Louis County.

A tool had been used to remove the ignition switch, and was found with the switch still in it.

He was charged with resisting arrest and was held for the county authorities and also for the Illinois Department of Corrections as an alleged escapee from the East St. Louis community correctional center.

Pearson is said to have interfered while being handcuffed, the cuffs slightly cutting the arresting officer's left palm.

Pearson also was hurt and was taken to St. Elizabeth Medical Center, where he declined to have sutures but submitted to X-rays. He was returned to jail at 4:45 a.m.

Investing and making financial plans for the future is important to everyone, whether it's the factory worker or self-employed mechanic wanting the security of a First Bank IRA Account, or the customer needing larger investment counseling, including repurchase agreements, large certificates of deposit and the buying and selling of stock and government securities.

Since my background and training includes financial counseling, which is becoming more and more necessary everyday, I feel a great satisfaction when I am able to help a First Bank customer in the investment of funds.

In addition to these responsibilities, I am also responsible for First Bank's Commercial Account Relations, keeping me available constantly to advise and serve the business and government communities.

Our customers, large and small alike, have more people working for them than they might think! I like to think that these "extra" services set us apart, making First Bank more than just "another bank." We're people helping people... and that makes the difference!

WHEEL COVERS ARE STOLEN

Four full GM wheel covers from a 1977 Chevrolet 1/2-ton truck, parked on the used car lot of Mathews Chevrolet, Niedringhaus and Madison avenues, were stolen sometime Thursday night, it was reported by John Novotny, sales manager, at 11:35 a.m. Friday.

He told police there have been numerous thefts at the above location during the week.

175 attend fund-raiser for Riskovsky

According to campaign officials, approximately 175 persons attended a fund-raising dance Saturday evening for Jim Riskovsky, candidate for mayor of Madison, and heard Riskovsky pledge that, if he is elected, the city will operate for the benefit of all of its residents.

He charged that the current mayor, Mike Sasyk, administers the city only for "his small circle of personal friends."

The fund-raiser was held at Polish Hall in Madison. Riskovsky also issued a statement denying rumors that Gary Novich would be his choice for city controller. "Gary Novich is in no way connected officially or unofficially with my campaign for mayor of Madison," Riskovsky said in the statement, but he admitted that Novich has voluntarily campaigned for him.

He pledged that no jobs have been promised to anyone and charged his political opponents with spreading false rumors about Novich and others.

Anyone wanting to check the validity of rumors concerning Riskovsky's campaign is urged to call him at 876-6085 or 452-8150, he said.

WOMAN IS ARRESTED

Sandy E. Rodgers, 31, of 57 Briarhaven Drive, was charged with battery and disorderly conduct in state highway complaints signed by her husband, Frank Rodgers, at 5:25 p.m. Thursday. He alleges she struck him several times with a fist during a disagreement outside their home and one punch missed him and struck their 3-year-old son, splitting open a lip on the boy.

Kindergarten registration

In announcing registration dates for next year's kindergarten classes, Granite City Superintendent of Schools B. J. Davis today urged the cooperation of all parents of children who will start kindergarten in September.

"Registration of all such children this spring will enable the school district to anticipate more accurately both the space and personnel needed," he said. "Any child who will be five years of age on or before Dec. 31, 1981, is eligible to enroll in kindergarten."

Kindergarten classes are half-day sessions and are held at each elementary school. A birth certificate and immunization record are to be presented at the time of registration. Hospital records are not accepted. These must be presented before actual attendance can begin in the fall, Davis added.

Illinois law states that no child may enter school for the first time without the following immunizations: whooping cough, diphtheria, tetanus, poliomyelitis, rubella (3-day measles). Exceptions are made only for religious or medical reasons.

Physical and dental examinations are also required before attendance in kindergarten may begin. These forms are distributed to parents at the time of registration so that appointments for the exams can be arranged during the summer.

School nurses will be available at the time of registration to explain health regulations to parents and also to review the immunization record.

Registration days at the various elementary schools are as follows:
 Monday, April 20: Pre-School Center (Logan Annex)
 Tuesday, April 21: Emerson, Webster, Wilson, Johnson and Logan
 Wednesday, April 22: Marshall, Mitchell, Niedringhaus and Namecki
 Thursday, April 23: Fohardt, Parkview, Lake and Maryville.

Registration will be from 9 a.m. to 12 noon and from 1 to 2:30 p.m. on the designated day. The child being registered "is to accompany the parent."

Any questions concerning the registration can be answered by the principal at the neighborhood elementary school or by Vasil

Effimoff, director of pupil personnel services, at the Board of Education office (876-6000).

Pre-school registration will be conducted during the same time as kindergarten registration. The only difference in requirements is the child will be four years of age on or before Dec. 31, 1981. The six elementary buildings qualifying for the pre-school program are Emerson, Marshall, Lake, Webster, Logan, Wilson.

Parents of students presently enrolled in pre-school are not required to fill out additional records because all records will be sent to the school where the children will attend kindergarten.

Also, presently enrolled students will be tested at the Pre-School Center for kindergarten placement. If the child is absent on the day of testing, the director of the Pre-School Center will be in touch with the family to arrange the makeup date.

Any three- or four-year-old child, accompanied by a parent, can be registered at his or her neighborhood school for developmental screening.

First aid seminar

A lunch-time seminar about the vital basics of first aid will be held Tuesday, April 7 by Health Service at Southern Illinois University at Edwardsville.

Rosetta Koonce, coordinator, said the program will familiarize participants with the most up-to-date practices of treating minor injuries. "Most people don't know the best methods for treating burns, choking, frost bite and other emergencies that we're often faced with," she explained.

The seminar will meet from 11:30 a.m. to 12:30 p.m. in Room 7 in the University Center and is free of charge.

Interested persons should bring a brown bag lunch for the event.

Additional information may be obtained by contacting Health Service at SIUE or by calling 618-692-2842.

SPECIAL SESSION

President Adams called a special session of Congress on March 25, 1979, to consider the threatening relations between the United States and France.

Granite City Press-Record**Obituaries****James Harmon**

James G. Harmon, 64, of 4011 North Ave., a lifelong resident of Granite City, died at 9:15 a.m. Thursday, March 26, 1981, at St. Elizabeth Medical Center, where he was a patient 61 days.

He had been ill the past eight years. Mr. Harmon was employed as assistant manager at O'Brien Tire and Battery, Namecki Road and Ponton Avenue, for 15 years prior to retiring in 1973.

He was born in Granite City and had resided here his entire life.

Mr. Harmon was a member of St. Elizabeth Catholic Church, the Holy Name Society and Moose Lodge 272. Among the survivors are his wife, Mrs. Frances Murrell (Hayden) Harmon; one son, James G. Harmon II of Granite City; two brothers, Ron and Clarence Harmon, both of Granite City; and two grandchildren.

Funeral mass was said at 9:30 a.m. Saturday, March 28, at St. Elizabeth Catholic Church, Burial was in Sunset Hill Cemetery, Edwardsville Township.

The Rosary was recited Friday evening at Bob Thomas Memorial Mortuary, 2205 Ponton Road.

Edward Heinz

Edward J. Heinz, 62, of 2290 Glen Drive, Ill. since January with cancer was pronounced dead at home by Randall Irwin, Madison County deputy coroner, at 10:25 a.m. Friday, March 27, 1981.

He was in bed and his wife, Mrs. Virginia Heinz, could not awaken him and called the police for assistance.

Mr. Heinz had lived in St. Louis, Mo., where he had worked as a delivery driver for 20 years.

He was of the Catholic faith. Mr. Heinz was a member of American Legion Post 113 and Teamsters Union, Local 688. He also was a World War II Army veteran.

Other survivors include one daughter, Mrs. Spencer (Christy) Moore of Frankfort, Mich.; a brother, Emmett Heinz of Springfield, Ill.; and one grandson, Patrick Edward Moore.

Friends may call after 4:30 p.m. today at Irwin Chapel for funeral services. Burial services will be held at 11:30 a.m. Tuesday, March 31. Burial will be in National Cemetery.

Jefferson Barracks, Mo. Family request memorials to the American Cancer Society.

Jesse Levar Jr.

Jesse W. Levar Jr., 17, of 5121 Old Alton Road, died at 11:41 p.m. Saturday, March 28, 1981, at Christian Northeast Hospital, St. Louis, at 4 p.m. Friday, March 27, 1981.

He was born in East St. Louis and was a lifelong resident of this area. His death followed a traffic accident.

Mr. Levar was a student at Granite City High School North. He was of the Protestant faith.

Survivors include his parents, Mr. and Mrs. Jesse W. (Wilma Jean Hoover) Levar Sr., Granite City; two brothers, Michael C. Levar, Granite City, and Mark N. Levar at home; four sisters, Mrs. Walker (Kathy) Malone, Germantown, Ill., Mrs. Ricky (Sherry) Coble, Carmi, Ill., Mrs. Robert (Melinda) Clark, Granite City, and Miss Madonna Levar, at home; grandparents, Mrs. Nettie Kean, Granite City, and Mrs. Mabel Hoover, Effingham, Ill.

The Rev. Jack Smith will conduct funeral services at 1 p.m. today, March 30, at Bob Thomas Memorial Mortuary, 2205 Ponton Road, with burial to be in St. John Cemetery, 2901 Namecki Road.

Gretthian Ramey

Mrs. Gretthian (Gray) Ramey, 91, of 3203 Newell Drive, died at 12:55 p.m. Thursday, March 26, 1981, at St. Elizabeth Medical Center, following a lengthy illness.

She was a native of Kentucky.

Her husband, the Rev. Martin R. Ramey, died in 1965.

Among the survivors are two daughters, Mrs. C. Wayne (Maureen) Banks of Granite City, a teacher at Namecki Grade School, and Mrs. Marvin (Gola) Robertson of Bolivar, Tenn.; two sons, Boyce Ramey of Eddyville, Ky., and Henry Ramey of Cool Valley, Ill.; nine grandchildren and four great-grandchildren.

Funeral services were held at 2 p.m. Sunday, March 29, at the Bethany Baptist Church in Eddyville, Ky. Burial was in the Confederate Cemetery in Laumac, Ky.

Friends called Saturday at the Dunn Mortuary in Eddyville.

The family requests memorials to Shriner's Hospital for Crippled Children or the American Cancer Society.

Sam Sortor

Sam B. Sortor, 60, of 21 Settler Trail, Hannibal, Mo., formerly of Granite City, became ill while in the lounge at Charlie's Restaurant and was taken to St. Elizabeth Medical Center where he was pronounced dead upon arrival at 11:41 p.m. Saturday, March 28, 1981.

He was born and was a lifelong resident of Granite City until two years ago when he moved to Missouri.

Mr. Sortor was vice-president in charge of field operations for S.M. Wilson Construction Co., Granite City. He was a member of St. Peter Evangelical United Church of Christ and was a former member of the church council. He also belonged to the Eagles Aerie 1126, Granite City, and the Moose Lodge 1542 of Hannibal.

Survivors include his wife, Mrs. Peggy Sortor; four sons, David Sortor, St. Peters, Mo., Michael Ovington, Virden, Ill., William Ovington, Palmer, Ill., and Jeff Ovington, Mayport, Fla.; four daughters, Mrs. James (Debbie) Pribble, Granite City, Mrs. Gerald (Martha) Carney, Florissant, Mo., Mrs. Donald (Janice) Heinisch, St. Peters, Mo., and Mrs. Margaret Harper, Virden, Ill.; three sisters, Mrs. Joe (Mabel) Combs, Edwardsville, and Mrs. Vincine Zerlan, Granite City; and 14 grandchildren.

Friends may call at Davis Funeral Home, 21st Street and Cleveland Boulevard, after 7 p.m. Tuesday, where services will be held at 10 a.m. Wednesday, April 1. Burial will be in Virden (Ill.) Cemetery.

Amy Schubert

Amy Schubert, infant daughter of Mr. and Mrs. Carl L. (Laura) Schubert, 116 Berkley, Hanhana, S.C., died Saturday, March 21, 1981, at the Medical University Hospital, Charleston, S.C., where she was born the day before.

Formerly of Granite City, the father is serving with the U.S. Marine Corps at the Marines Weapons Station in Hanhana.

Other survivors include a twin sister, Jamie Schubert and 4-year-old sister Robin Schubert; and grandparents, Mr. and Mrs. Charles (Alberta) Schubert, and Mrs. Alvin (Alice) Brown and Kenneth Wyatt, all of Granite City, and great-grandmother, Mrs. Alma Brown of Madison.

Private graveside services will be conducted Tuesday, March 31, at Sunset Hill Cemetery, Edwardsville Township. Local arrangements are by Irwin Chapel for Funerals, 2801 Madison Ave.

Drug awareness program offered here on May 4

"Information Alert," a free program designed to make parents, teachers and others graphically aware of the drug and alcohol abuse problems facing youths today, will be offered in Granite City May 4 by the Southwestern Illinois Law Enforcement Commission Mobile Team.

The team will be here at the invitation of a joint committee representing the Granite City mayor's office and police department, School District Nine, the Tri-Cities Area Chamber of Commerce and its Crime Prevention Committee, the Granite City Ministerial Alliance and the Madison County Council on Alcoholism and Drug Dependency.

One portion of the presentation is the showing of the shocking film, "Dead is Dead," and a discussion of the film. A spokesman warned that the film is graphic and parents should consider obtaining a baby sitter for younger children. However, mature high school and even junior high school students could benefit from seeing the film.

However, the program is designed more toward giving parents, teachers, school administrators, social workers, ministers, police officers and others important information on how to deal with alcohol and drug abuse, a spokesman said.

It has been well received in many cities and towns in Southwestern Illinois and has attracted large crowds, even in smaller cities, he noted.

Local officials are invited to speak, along with state officials, during the program. Law enforcement

speakers here May 4 will be J.W. "Skip" Bennett, training coordinator of the SILEC Mobile Team, Jim Nichols, director of the Metropolitan Enforcement Group of Southwestern Illinois (MEGS), S.A. David Palmer, squad leader of the Northeastern Metropolitan Narcotics and Drug Enforcement Group of Elmhurst, Ill., and Granite City Chief of Police Ronald J. Veizer.

Other speakers will include Jill Brandenberg, coordinator of the Chemical Dependency Unit of Weldon Springs Hospital in St. Charles, Mo., Mrs. Jean Schram, coordinator of youth services for the Madison County Council on Alcoholism and Drug Dependency, and James Dumont, principal of Granite City High School South.

The event will be in the auditorium of Tri-City Park Tabernacle, Maryville Road at Clark Avenue, and the host pastor, Dr. Thurnace York, also is to speak.

The motorcycle was parked on a business lot across from Panter's Pizza.

A green 1976 Kawasaki motorcycle, equipped with a chromokit, crash bars and padded low boy sissy bar, valued at \$2,000 was stolen from the 1500 block of Johnson Road, according to a report by Leroy Flaughner Jr., 4102 Rode Ave., at 8:53 p.m. Saturday.

The motorcycle was parked on a business lot across from Panter's Pizza.

**THE LYRICAL LAWRENSES**

from Terry, Mont., will conduct a series of special services at Trinity United Methodist Church, East 25th and Henry Street, beginning Sunday, April 5, and continuing through April 8. Evening services will be at 7 o'clock with the Sunday worship hour set at 10:40 a.m. The final Quad-City United Methodist Lent service will be at 7 p.m. on April 12 at Niedringhaus United Methodist Church with the Rev. Ray Kelly to deliver the sermon.

★★ TO THE CITIZENS OF GRANITE CITY! ★★

SOME OF THE LABOR GROUPS, ORGANIZATIONS AND INDIVIDUALS WHO OVERWHELMINGLY ENDORSE ...

Mayor Paul Schuler "A Full-Time Mayor"

For Re-Election on Tuesday, April 7, 1981

United Steelworkers of America Local 67; United Steelworkers of America Local 4804; Tri-City Trades and Labor Council; Joint Committee of Steelworkers of America of Granite City Steel; Committee of the Granite City Ambulance Service to Re-Elect Schuler; Carl Morris, B.A., International Brotherhood of Painters and Allied Trades, Cahokia District Council No. 58;

Richard Kelly, B.A., Plumbing and Pipefitting Local No. 360; Robert Weis, B.A., Bricklayers Local No. 65; John Ubadi, Carpenter's District Council of Madison County and Vicinity; John Higgins, Iron Workers Local No. 392; Art Griffin, Laborers Local No. 397; Dave Young, Operating Engineers, Local No. 520.

Mayor Schuler has gained our respect and support for the following reasons:

The 19th Street Overpass!

A hard fought victory for Mayor Schuler. One which will bring increased access to Granite City for private users, industry and emergency vehicles.

Improved Fire Protection!

Purchase of new snorkel truck, new rescue truck, and construction of new Nameoki Fire Station head the list. The equipment was purchased with Federal and State money ... our tax dollars coming home to work for us!

New Industry and Expansions!

During the present City Administration Granite City Steel, Air Products, Nestle, Prairie Farms, and American Steel have all undergone major expansions. Michigan Metals, Feralloy Corp., Pre-Coat Metals, R & R Leasing, Battery Recyclers and many small businesses have located in our city.

\$10 MILLION

MORTGAGE REVENUE BONDS

Due to the hard work and perseverance of Mayor Schuler affordable home loans were made available to many of our citizens.

NEW

POLICE AND CIVIL DEFENCE FACILITY

Under Mayor Schuler a major and vital new facility was built solely with Federal Grant and Revenue Sharing monies ... again our hard earned tax money coming home!

St. Elizabeth Medical Center Expansion!

Through use of industrial revenue bonds, our Medical Center and second largest employer underwent a tremendous expansion during Mayor Schuler's term.

City Ambulance Service!

Fully trained and State Certified Personnel are now available to any sick or injured person 24 hours a day, 365 days a year. Again vehicles and equipment were purchased with State monies, and with upcoming Paramedic Program quality emergency care for citizens remains a reality!

Concern For The Needs Of Our Senior Citizens!

Mayor Schuler has worked hand in hand with the present Township Administration to provide our senior citizens free vegetable gardens during the summer, free house painting under the Summer Paint Program, funds for operation of the Chorebus, and nutrition programs.

22 Madison teachers notified their jobs may be in jeopardy

The number of Madison District 12 teachers who do not know if they will have jobs next year grew to 22 Thursday night as the Madison Board of Education voted to send letters to 13 tenured teachers, warning them that they may not be rehired next school year.

Previously, the board sent similar letters to all nine non-tenured teachers. Notification at this time to

teachers whose jobs may be eliminated next year is required by law. Teachers who are not sent such notices must be given positions next year.

Superintendent of Schools John Palchiff told a public hearing before the regular meeting Thursday night that the board hopes most of the 22 teachers sent honorable dismissal letters can be rehired next year, but

declining enrollment, a possible 25 percent cut in federal funding for some special programs and a stagnation of state aid will require some cuts. He predicted that the greatest majority will be rehired.

The letters of honorable dismissal now have been sent to all Madison teachers with four years of tenure or less.

7 charges follow fight with police

Robs Madison service station

The Kerr-McGee Service Station, 425 McCambridge Ave., Madison, was robbed at 7:55 p.m. Sunday by a man who pointed a snub nose revolver at the attendant and stated, "Open the drawer or I'll blow your brains out."

The robber walked into the building and pushed the attendant into a corner near the desk area, telling him to face the wall and not to move.

He grabbed all the currency and three rolls of coins from the cash register, amounting to more than \$200, and fled from the station.

The robber was described as a black man, between 25 and 28 years old, about five feet, eight inches tall and weighing 160 pounds.

He had a small Afro haircut, a scanty beard and was wearing a dark blue stocking cap, a green Army-type jacket with a zippered front, and blue jeans, police were told.

7 charges follow fight with police

Terry D. Haynes, 31, of 2015 Washington Ave., Apt. 2, was charged with resisting arrest, disorderly conduct and two counts of battery following a disturbance in his apartment building at 7:25 p.m. Sunday. He also is charged with three counts of battery for allegedly fighting with police officers in his jail cell at 10:15 p.m. Sunday.

Three officers entered the cell to see if Haynes was hurt and Haynes immediately grabbed Patrolman Kenneth Crawford's leg and kicked at him, it was alleged. Force was used to free Crawford and to keep Haynes in his cell, officers said. During the struggle, Lt. Jim Lengyel suffered an abrasion to his right ankle and Crawford and Patrolman Mike Chosich were kicked on the legs, according to official reports.

choking her and refused to release his grip on her, even when police wrestled him to the floor, bringing her down with him.

Officers struck Haynes with a flashlight to get him to release his grip on his wife, they reported. He then was handcuffed and taken to the Granite City Jail.

At 10:15 p.m. during a routine cell check, Haynes was found face down on the floor of his cell and other prisoners pointed to a sweatshirt hanging from the top of the cell and alleged he had tried to hang from it.

Three officers entered the cell to see if Haynes was hurt and Haynes immediately grabbed Patrolman Kenneth Crawford's leg and kicked at him, it was alleged. Force was used to free Crawford and to keep Haynes in his cell, officers said. During the struggle, Lt. Jim Lengyel suffered an abrasion to his right ankle and Crawford and Patrolman Mike Chosich were kicked on the legs, according to official reports.

FOUR PERSONS sustained injuries in a one-car crash at 11:40 a.m. Friday on Route 3, near West Pontoon Road, when the northbound auto of Gregory Pryor, 19, of 4913 Willow Ave., struck a concrete base after the driver swerved to avoid a gasoline truck and lost control. Granite City Patrolman Michael Sparks, back to camera at right, talks to one of the victims prior to an ambulance arriving at the scene. Pryor was

admitted to St. Elizabeth Medical Center with face, wrist and nose injuries. Also admitted was Monte Glass, 19, of 4945 Old Alton Road. Phillip Pryor, 14, of the Willow Avenue address, was treated and released. Another passenger, Michael W. Wuerley, 13, of 4912 Redwood Lane, also suffered a minor injury. At left is Patrolman David Polivick.

At college in England

Jack Burnett Jr., a University of Evansville student from Granite City, is attending Harlaxton College, UE's campus in England, spring semester.

Since 1971, UE has been sending students to Harlaxton College near Grantham, England. Students who participate in the program have an opportunity to live and learn in an authentic Victorian manor near the legendary Sherwood Forest.

Centrally located in England, Harlaxton College is ideally suited to the University's needs. The four-day academic week allows students extended weekends to explore the British countryside. Field trips are arranged by the University throughout each semester to enhance the coursework.

Harlaxton College operates on a semester system, with six weeks provided between semesters for field experience so that advantages of the environment may be fully explored.

The University of Evansville is an independent, educational, Methodist-affiliated institution located in the southwestern corner of Indiana. Founded in 1854, UE offers degrees in more than 80 areas of study.

Burnett is the son of Mr. and Mrs. Jack Burnett Sr. of 4 Mercer Drive.

ARSON SUSPECTED IN BARN FIRE

Arson is suspected in a fire that destroyed a barn at the rear of 3004 Sinclair Ave., Saturday at 6:50 p.m.

Gordan Whitford, 200 Emzee St., owner of the property reported there was a stack of drywall, lumber and a farm tractor stored in the barn.

Neighbors reported seeing a fire at one corner of the barn and in minutes the structure was engulfed in flames.

BURGLARY ON LEE

A \$1,000 window air conditioner, a \$150 bicycle and the wheels and rims from two other bicycles were stolen from the basement of the duplex of Elaine Lance and Susan bass, 2214-16 Lee Ave., between 3 p.m. Tuesday and 7:05 p.m. Thursday.

was admitted to the hospital at 12:07 p.m. Friday for observation and treatment of lacerations and abrasions to the left hand.

Thomas Sparks Jr., 38, of the Granite City Army Installation, was involved in an auto accident and taken to the hospital at 3:14 a.m. on Saturday where he was admitted and treated for abrasions to the left side of his body, right arm and right knee.

Helen Rogers, 18, of 705 Washington Ave., Madison, went to the hospital at 3:46 a.m. Sunday for treatment of pain in her chest and right foot and was released.

Joyce Hay, 19, of Caseyville, was treated for cuts to the face, contusions to the left arm and left leg and was admitted at 2:02 p.m. Saturday.

Pamela Denny, 24, and Thelma Denny, 50, both of Rural Route Two, Granite City, were in an auto accident

at 4:38 p.m. Saturday. Miss Denny had a pain in her neck was x-rayed and released, and Mrs. Denny was released after receiving x-rays and treatment for pain to the left side of her body.

Carolyn Eppington, 18, of Caseyville, had abrasions to the chin, pain to the left arm and leg due to an auto accident and was admitted at 2 p.m. Saturday.

Marco Garcia, 17, and Miss Chris Garcia, 18, both of St. Louis, were taken to the hospital and both were admitted for facial lacerations sustained in an auto accident.

Victoria Flatley, 69, of 319 West Chain of Rocks Road, went to the hospital on Saturday at 12:45 p.m. for treatment of an abrasion to the forehead, was x-rayed and released.

Thomas Flatley, 68, of the above address was also examined for pain to the neck area and was released.

SIUE plans

He has made three previous trips to England, observing work at the hospice and leading work-study trips.

Corr developed a course in death and dying, which he has taught at the University for the past six years. His publications include: reviews, papers,

and articles in the field of death, dying and bereavement, as well as contributions to "Dying: Facing the Facts" and "Death Education: An Annotated Resource Guide." He has also edited several books on the subject of death and dying.

Nesbit critical of opponent's record

Thomas Nesbit, candidate for supervisor of Granite City Township, has charged his opponent, Nelson Hagnauer, with operating "a do-nothing administration while Granite City is dying."

"We must turn our town around," Nesbit contends at personal appearances, adding, "Granite City is losing people and with more than 13 percent of the people out of work, we have one of the highest unemployment rates and the nation. The situation is getting worse, not better," Nesbit said.

HOUSE BURGLARY

Two shot guns, a 30-30 rifle, a small amount of .38 shells and a jewelry box with assorted items, was stolen from the home of James Downs, 2839 Morgan Ave., it was reported by their son, Roger Downs, at 8:47 a.m. Saturday. Downs said he was at work and his parents were visiting in Tennessee when the burglary took place.

"If I am elected, I will work hard to bring new prosperity, jobs and employers into our community. I will use all the powers of my office, for example, to help our local Tri-City Port Authority and its Foreign Trade Zone draw new companies here, with hundreds of new jobs for Granite City residents," he contended.

He pledged to appoint two citizens' advisory committees, one to make recommendations on expanding local programs to aid needy senior citizens and the other to recommend youth activities and programs aimed at preventing crime and juvenile delinquency.

PUBLIC NOTICE

South-Western Cable T.V. is pleased to announce the addition of a new channel.

THE CABLE NEWS NETWORK.

CNN will be added April 2, 1981 to South-Western's basic service at no added charge. The Cable News Network offers 24 hours of news from around the world with offices in Paris, Rome, Peking and London.

However, the addition of CNN will cause the re-arranging of some of the channels on the cable line-up. All cable subscribers will receive a new converter label showing these changes in the next few days.

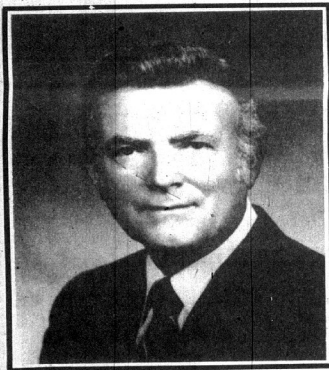

Also, because of the CNN addition, South-Western Cable will shut down the system from 3:00 a.m. until 6:00 a.m., April 2nd.

Local youths to attend conference

Four youths from the Nameoki United Methodist Church will attend an annual Youth Conference at McKendree College, April 4 and 5, two as voting delegates and two as alternates.

Each youth will attend two workshops on "Youth Ministries Within the United Methodist Church."

They will make major decisions in the program for the Methodist youth in the Southern Illinois Conference for the year 1982, and will vote on three service projects.

Featured throughout the weekend will be J. David Stone, author, teacher, youth leader from Shreveport, La., and the Covenant Players.

Delegates are Bev Tester and Tim Bernaix. Bev and Tim are also members of the East St. Louis District Youth Council. Alternates are Beth Hein and Karla Taylor. They will be accompanied by Mr. and Mrs. Ken Perkins.

\$67 million distributed in tax replacement funds

Checks totaling \$67.6 million in corporate personal property replacement taxes have been sent to local units of government as the second of eight payments to be made during 1981, according to J. Thomas Johnson, director of the Illinois Department of Revenue.

The total distributed so far this year is \$143.9 million—more than a fourth of the \$510 million expected to be distributed this year, Johnson said.

The replacement taxes, authorized by the Illinois General Assembly in August, 1979, substitute for funds lost to local governments when the corporate personal property tax was abolished by the 1970 state constitution.

The largest share of this replacement tax money—or 52 percent—goes to the state's 1,018 public school districts.

Coming in second in the amount received are the state's 1,281 municipalities, which receive 20 percent of the total. Next are the state's 102 counties, which receive a little under 9 percent; park districts, receive 5 percent;

sanitary districts and junior college districts each receive nearly four percent; road districts and townships each receive under two percent.

Other districts, each of which received less than one percent of the total, include forest preserves, fire, library, airport, mass transit, hospital, conservation, TB sanatorium, public health, mosquito, street lighting and water authority.

Under the new system, taxes are collected by the state revenue department and the money is distributed to the local governments. Beginning in 1981, distributions are to be made eight times a year, rather than the quarterly schedule followed last year. Payments are scheduled for January, March, April, May, July, August, October and December.

The 1981 payments will be an estimated eight percent lower than the \$552.8 million distributed during 1980. This decline, Johnson explained, is due to the combination of (1) a slowed economy and (2) a decrease in the tax rate on corporations (the rate

went from 2.85 percent to 2.5 percent effective January 1, 1981).

The replacement taxes are: (1) a 2.5 percent income tax on corporations; (2) a 1.5 percent income tax on partnerships, trusts, and sub-chapter S corporations; and (3) a 0.8 percent tax on the invested capital of utilities.

AT FORT KNOX

Army Pvt. Robert E. Yount Jr., son of Mr. and Mrs. Robert E. Yount Sr. of 4498 Vine, Granite City, is attending basic training at Fort Knox, Ky. During the training, students receive instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

OPEN ON SATURDAY

Granite City Clerk Robert W. Stevens has announced that his office will be open Saturday, April 4, from 9 a.m. to noon so that persons who will be unable to vote in the April 7 general election may cast absentee ballots.

Absentee voting opens

On April 7th, voters will cast their ballots for both municipal and township officers in all cities, villages and townships of Madison County. In addition, library board directors and park district commissioners will be elected in specific communities.

Voters have been advised by County Clerk Evelyn Bowles that all voting will be on the basis of the regular precinct lines, and persons will vote at the regularly designated polling places used in the November general election. Miss Bowles suggested that voters watch the newspapers for any possible polling place changes that might be necessary.

SCHULER'S Problems—PARTNEY'S Solutions

★ LOSS OF INDUSTRY AND JOBS

Develop jobs by attracting industry through the use of tax incentives; create industrial parks; increase annexations; better management-labor relationships; revenue bonds.

★ DECAY OF DOWNTOWN SHOPPING AREA

Activate mall project which includes downtown parking; work with financial institutions for low interest loans; promote professional buildings downtown; work to provide additional housing bordering downtown area.

★ CONTINUING SEWER PROBLEMS

Negotiate with responsible contractors; acquire state and federal funds to complete storm water relief sewer system planned in 1960 (portion of this project completed in 1970); utilize community development and federal revenue sharing funds.

★ FISCAL RESPONSIBILITY

Pledge to be a full-time mayor; will prepare own city budget; better manage city spending by matching expenditures with income; apply federal funds to community programs as originally intended.

★ STORM WATER DRAINAGE

Apply for federal funds to ease current sewer problems; to work closely with superintendent of streets; work to acquire public work funds; work with division of Water Resources for funds; plan curb and gutter program for better drainage.

★ TRAFFIC CONGESTION

Reutilize engineered traffic programs; create better traffic flow patterns, improve street department equipment; utilize federal funds as intended; create priority programs for major improvements.

★ NEIGHBORHOOD DECAY

Town meetings quarterly in different areas of the city to bridge communication gap between mayor and taxpayers; secure low cost loans through community development for improvements; provide adequate building inspection and maintenance programs.

★ INCREASING CRIMES

Neutralize crime by increasing police department manpower and training; provide every member of patrol division with own vehicle 24 hours per day; institute K-9 dog patrol; promote crime-blocker program and increase citizen involvement.

★ NEEDS OF THE ELDERLY

Establish Mayor's Office on Senior Citizens within city hall; establish emergency communication between the aged and appropriate agencies; increase housing for aged; more senior citizen centers; seek senior citizen discounts; work to provide better transportation, health care and nutritional programs.

★ YOUTH AND HANDICAPPED PROBLEMS

Youth advisory committee to be established through cross sections of citizens, including teens; work to provide access to public and private buildings; work to acquire community development block grants for programs in education, sheltered workshops, community facilities and housing for the handicapped.

Speaker at NAACP tea is Chief Justice Goldenhersh

By VALERIE EVENING
of the Press-Record

The Honorable Chief Justice Joseph H. Goldenhersh of the Illinois Supreme Court will be guest speaker at the annual spring tea of the Madison Branch of the NAACP, scheduled from 2 p.m. until 4 p.m. Sunday, April 5.

The event will take place at the Venice Recreation Center, 305 Broadway, Venice, and the occasion also will serve to honor members of the Madison High School's State Championship basketball team, it was announced this week.

The public is invited. Tickets for the tea, costing \$2 each, may be obtained from any member of the NAACP or by calling Mrs. Helen Clemens King, branch president, at 451-2370, or the Rev. John Henry Williams, program chairman, at 452-5124.

At 12 noon Saturday, April

4, the day before the tea, the Madison NAACP Branch will sponsor a memorial march to commemorate the 13th anniversary of the death of Dr. Martin Luther King Jr.

The noted black leader, 39, was assassinated April 4, 1968, in Memphis, Tenn. Those participating in the parade are invited to walk or drive, and signs may be displayed or carried, Mrs. King advised.

A native of East St. Louis, Justice Goldenhersh graduated from East St. Louis High School in 1939 and from Washington University Law School in 1935. He was admitted to the Illinois Bar in February 1936.

He was married to the former Maxyne Zelenka in 1939 and they have two sons, Richard, an Associate Circuit Judge in the 20th Judicial District, and Jerry, a Belleville attorney. Justice Goldenhersh was engaged in private practice

of law until his election to the Appellate Court of Illinois in November 1964.

He served on the Appellate Court from Dec. 7, 1964, until Dec. 8, 1970, when he became a member of the Supreme Court.

Justice Goldenhersh is a member of the American, Illinois, St. Clair County and East St. Louis Bar Associations; the American Judicature Society and the Institute of Judicial Administration.

He has been active in public service throughout his career, serving on the Executive Committee and Board of Trustees of Christian Welfare Hospital, East St. Louis, and as a member of the Board of Directors of St. Clair County Heart Association.

He is former chairman of the Initial Gifts Division of the United Fund of Greater East St. Louis.

Justice Goldenhersh is a

Motorcyclist faces charges

Zelko Trtanj Jr., 24, of 2832 Warren Ave., was charged with reckless driving and improper display of registration after police alleged chasing his motorcycle for several blocks at 3:45 p.m. Thursday.

The chase began when Trtanj allegedly did a "wheelie" on his cycle in the 3100 block of Wayne Ave. He was chased east on Aubrey Avenue, west on Joy Avenue, south on Myrtle Ave., east on Wilson Avenue, south on Warren Avenue, east on Faith Avenue and south on Sunset Ave., before stopping behind a garage in the 3000 block of Dogwood Ave.

Trtanj was arrested behind the garage. Two boys, ages 10 and 11, alleged that the motorcycle came close to running them over in the 2900 block of Myrtle Avenue, police reported.

The contestant is the daughter of Jessie and Harriet Evans of Granite City. She is employed at Tacole Restaurant, 3900 Nameoki Road.

Miss Evans has previously competed in four other statewide pageants, including Miss United Teenager, in which she took first place in the essay contest, Miss Teen USA, and Miss Teen World.

Her sponsors for the Miss Continental Illinois Pageant are Tacole owner Joe Morrison, Explorer Post 10-33, and Drew Gilchrist.

"I think with the experience I've gained in the other pageants, I stand a good chance of coming out ahead in this competition," Miss Evans commented.

\$5,500 DAMAGE IN HOME KITCHEN FIRE

Fire caused \$4,000 damage to the residence and \$1,500 damage to contents at 8:15 p.m. Tuesday at the apartment of Terry Wagner, 2122a Lee Ave. The origin is undetermined. The blaze centered in the kitchen area, Daniel Shrum, 23, of 1424 Eighth St., Madison, was charged with disorderly conduct for allegedly interfering with firefighters at the scene.

TOOLS STOLEN

A gray metal box with assorted tools valued at \$500 was discovered missing from an automobile parked in front of the home of Charles Hankins, 2218 Edwards St., according to a report at 10:45 a.m. Saturday. Hankins said his son parked the car at the address 11:30 p.m. Friday.

VOTE DAN PARTNEY FOR MAYOR

According to the Illinois Bureau of Employment Security, currently Granite City's unemployment rate is **13.6%** compared to East St. Louis' unemployment rate of **12.7%**.

Under the present administration, the loss of industry and jobs has resulted in the loss of one job for every day that Paul Schuler has been mayor.

An example of his reaction is as follows:

In the Granite City Press-Record, Mayor Schuler was asked if the closing of the A. O. Smith Plant would have drastic effect on the city's tax rate or income. Schuler commented, "Obviously, it is one of the larger assessments, but I don't feel loss of the plant would have drastic effect, possibly not even a penny on each homeowner's tax bill."

Does the mayor only concern himself with the increase of one cent on a tax bill while our current unemployment soars?

Isn't it time we brought a vigorous, business-minded, forward-looking administration to City Hall?

Wild slug-fest won by Steelers, 18-16

ST. LOUIS — Granite City North head baseball coach Bob Stegemeier was worried that his team wasn't hitting the baseball. He knew the offensive power would be limited this year. It was confirmed when the Steelers collected just eight hits in their first two games. But, North's contest with Hazelwood West here Saturday gave Stegemeier reason to believe that there might still be hope.

The Steelers used a gusty tail wind a little better than West to bang out 16 hits and stage a remarkable comeback victory. In a hitless battle, North slugfested West, winning 18-16.

The pitching staff for both clubs probably thought it

could do better by tossing the ball underhanded. That's about as much velocity as it had when it crossed the plate the entire afternoon. "It was a very bad day for pitchers," said Stegemeier. "They were throwing right into a strong wind and they were very ineffective. It took away the fast balls and was a definite advantage to the hitters."

Hazelwood soon to profit from Mother Nature early as it tagged starting North hurler Rich Takmajan with a barrage of nine runs in the opening inning. And the Steelers though it was going to be their game when they led off the contest with three runs of their own.

"Takmajan just couldn't

get the ball over the plate," said Stegemeier. "He didn't throw strikes." Maybe the wind didn't let him, but West didn't mind.

North started off its own trouble as it booted the first grounder for an error. Takmajan followed as he hit the next batter. West responded with a single and Takmajan reciprocated with three walks. Another hit batsman, a single, an error and a double capped off the onslaught of runs for Hazelwood. "After that inning I figured it was going to be a long day," said Stegemeier.

It may sound funny, but after the disastrous first inning for the Steelers, their pitching actually settled

down. They ONLY gave up seven runs in the next six innings. "We did a super job pitching after the first inning," said Stegemeier. "You have to feel good after a nine-run inning and then giving up just three in the next couple." But the slugfest continued and North slowly chipped away at the West lead.

Scoring a single tally in the second, the Steelers came up a four-run inning in the third, three in the fifth and two more in the sixth frame. But, they still found themselves trailing by two, 15-13.

"This was the wildest game I have ever been involved in on any level of coaching," said Stegemeier. "I have never seen that

much scoring and yet it was still a close game." If Hazelwood thought it had the game won with a two-run lead heading into the last inning, it was sadly mistaken. The Steelers still had a rally up their sleeves.

The closest North drew on the West margin was one run at 9-8. But, it finally got over that hump in the seventh inning. Closing the gap completely, 15-15, North had the chance for its first lead when the bases loaded. Steeler Dan Patterson was at the plate and Stegemeier made a last minute decision.

"I decided to have Danny bunt the ball and gamble on the suicide squeeze," said Stegemeier. "Ordinarily I would let Danny hit in a

situation like this, but he hasn't been hitting the ball very well lately. I took the gamble, because he is a good bunter and it was a good idea in this situation. All you can ask is that the batter doesn't pop the ball up or miss it."

Patterson didn't do either one of those. Instead he laid down a perfect bunt. On the play at the plate, the umpire called the sliding Jeff Puryear out, but corrected his call when the West catcher dropped the ball.

The Steelers were fortunate to have their hitting star of day at the plate following Patterson. Rick Buer had already smashed a two-run homer, knocked in another run with a single and was credited with yet a

fourth RBI when he was walked with the bases loaded.

With runners in scoring position again at second and third, Buer delivered his fifth and sixth runs batted in. He drilled another hit, his third of the game, scoring Rob Chapman and Brian Corey. But, if you can believe it, North was not out of the woods yet.

"The game is never over until the last out of the last inning," said Stegemeier. "We were three runs ahead going in the bottom of the seventh and I was scared to death." The Steeler hearts took some extra beats as West used back-to-back doubles to score a run and

then loaded the bases. However, the winning run was stranded on first when the batter hit a fly right at the rightfielder.

"I can't say we are out of our slump," said Stegemeier. "We could get shut out the next game. Hitting is contagious. On a still day, a lot of the balls hit could have been caught. I still can't believe we were down 9-3 and won 18-16."

"We could have given up after that first inning, but I was pleased that we came back from adverse conditions. I hope it builds their confidence. Maybe it will be the turning point for us."

Washington (Ill.) Panthers pitch double loss to South Warriors

By TOM SCHOCKER of the Press Record

GRANITE CITY — You could have said it was beginners' luck. But Washington head baseball coach Brian Wisner didn't think so. He sent sophomore Randy Bukolas to the mound to pitch the second game of the doubleheader against Granite City South here Saturday. Wisner didn't figure on the performance Bukolas was to produce.

In his first varsity start, Bukolas struck out 12 Warrior batters and scattered five hits before needing relief help. It was enough to give Washington a sweep of the twin-bill with a 4-3 count. The Panthers took the opener, 4-2.

South had to figure it was in for a long game when the very first inning of the second contest. After Mark

Clark and Ken Wilson each dropped down perfect bunts for hits, John Linhart dribbled an infield hit. The Warriors quickly had the bases loaded and nobody out. But their luck was to swiftly change.

Bukolas forced Rick Daily to bounce into a home to first double play and then he promptly struck out the final batter. "We should have won both games," said Warrior head coach John Modica. "But the hitting really hurt us today. We just didn't get the timely hitting when we needed it."

Getting the hits wasn't all South's fault. Bukolas lent a big hand. The Warrior's tied the game in the second on a double by Paul Zimmer. He was on second with no outs, but Bukolas struck out two of the next three batters. He fanned the side in the third

when South scored a run and still had man on second. From the first inning on, Bukolas averaged two strike outs per inning.

"I think he's (Bukolas) got a future," said Wisner. "I didn't figure he would strike out 12 men. That's just a remarkable performance this early in the year."

Aside from Bukolas' effort, which kept South far enough away, the Washington defense came up with the play of the game. Down 4-2, the Warrior's could do much to crack the young Washington hurler. They managed a walk in between two more Bukolas strike outs, but their sixth inning efforts looked hopeless.

Trying anything, Modica sent Pat Linhart in to pinch-hit. He responded with a single. Kent Allen followed and drew a two out walk. There it was again. The bases were loaded and Washington managed to squeeze out of another dilemma.

South's Clark strided to the plate and pulled a tailing

fly ball to right field. But, the Warrior's just couldn't get the breaks. The rightfielder, in a last ditch effort, drove and snagged the fly for the final out.

"We're not living right," said Modica. "We just didn't get the bounces. That play was the ball game for either team."

It turned out to haunt South. It tried again in the final frame, scoring a run and having runners on first and third, but George Jarvis' deep fly ball was corralled in.

"We're 1-3 and I hope the kids don't get down," said Modica. "With right line-up, we'll do all right and I think I have found it."

Modica had plenty of chances to seek the right players in the opening game. He used everyone on the team. It didn't help, because South could only bang out two hits.

As in the second game, when Washington used a big three-run fourth inning to secure the win, it did so in the first contest. The

North, South stall at Belleville East relays

BELLEVILLE — Harry Lang, the Granite City North head track coach, said before the season that the Steelers weren't going to be a relay type of team this year. Well, that proved correct at the Belleville East Relays here Saturday. As for the Granite City South squad, the Warriors were just out-matched overall.

In the eight team meet, the Steelers finished up in fifth with a total of 84 points and the Warriors took a seventh spot with 54 points. Mount Vernon won the meet with 122 points.

In the 400 meters, the Steelers coasted in with a fifth place. Their time was nipped by Belleville West by five tenths of a seconds. They ran it 46.1. South did not place.

The 800 meters was a curse to both squads as neither team finished in the top four point getting spots. But North came back strong in the combined sprint medley. Leaving the field behind, the Steelers ran the race two seconds faster than Cahokia. It was enough distance to give them a first place finish with a time of 3:46. Again South was denied a place and thus failed to produce any point in the event.

But, the Warriors are to be so strong this season and backing their point production on, their distance runners came through with flying colors. South was no match for host school East in the distance medley, but had plenty of gas to beat out Collinsville for second place. As East pulled in first with a time of 11:08.3, South was cross some time later at 11:17, two seconds quicker than the Kahokas.

Collinsville got its revenge

in the next race, the 3,200 meters. The Warriors had to take a place the Kahoks in third as they recorded a time of 8:33. It was a good nine seconds behind Collinsville. For the second event in a row, North was beat out of placing and stalled in its point build-up.

The high hurdles saw a two-three finish by the Granite Cityans. However, South got the better of the Steelers. It beat North by less than two seconds for second place. The Warriors ran the race in 1:09.6, while North came in at 1:11.2.

The Steelers made in close in the low hurdles, but unfortunately the results were the same. South ran the event in 2:08.2 for fourth place. It was only one second quicker than North's 2:09.3.

The Steelers looked strong winning the shot put with combined throws of 33.24 feet. South tossed itself into fifth at 21.68.

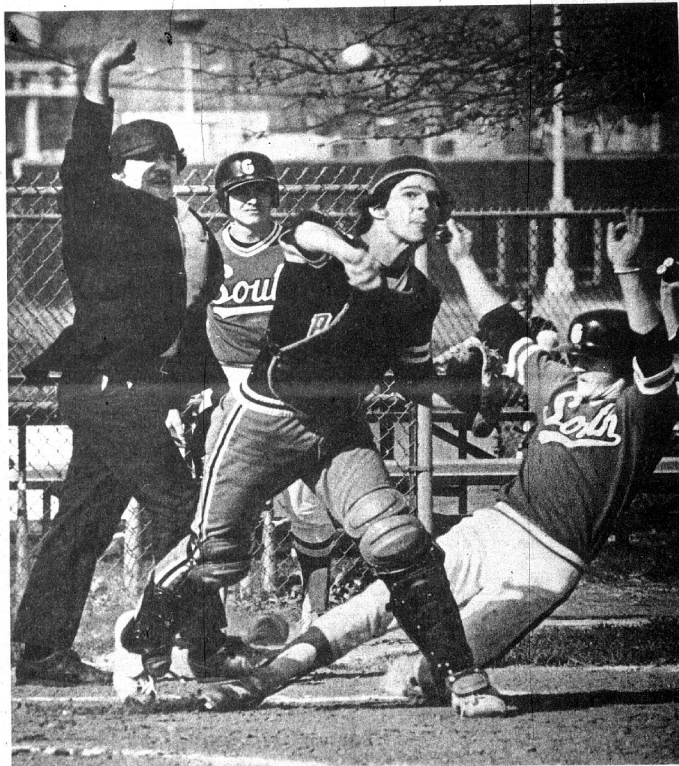

Again North over-powered the field except for Mount Vernon, which took first. The Steelers garbled second with a 150.78 score. South took fourth at 137.35.

South was placed fifth in the combined long jump, but the Steelers were shut-out. The Warriors jumped a score of 21.88.

Both schools made a good showing in the triple jump. North took a second with 48.52 and South placed third with 47.49.

A match for host school East, two inches was good enough to give the Warriors a third spot in the high jump. The Steelers were not placed.

However, North average 12.63 in the combined pole vault to grab third. The Warriors moved into fifth with 9.89.

Steamers shot down by N.Y.

ST. LOUIS — It was frustration in every sense of the word.

After playing second fiddle to the defending Major Indoor Soccer Champion New York Arrows for most of the season, the St. Louis Steamers had the chance to finally reverse the roles. But, Arrow's Steve Zungul would not be denied and he put St. Louis in its place once more at the Checkerdome here Sunday. His rolling shot past Steamer goalie Sloba Ilevski found the goal with just 30 seconds left in the game to give New York a 6-5 win and the hat trick in the MISL Championship.

Having come up with that miracle 8-7 overtime shootout victory over the Wichita Wings in the semifinals Friday, St. Louis seemed to be running in high gear. Thanks in part to a three-goal barrage by Steamer Tony Galvin and a heads-up play in front of the Arrow net by Sam Beck, St. Louis owned a 4-3 lead at the half.

But Zungul, the MISL's leading scorer, wasn't finished for the day. Beating Ilevski for the third time in

the game, the Arrows knocked the game at four. The Steamers just wouldn't give up. They couldn't be second again. They played behind New York in the regular season with a 25-15 record to one of 38-5 for New York. They just didn't want to be number two.

Emilio John gave St. Louis hope when he slid a shot past Arrow keeper Shem Messing in the third period. It didn't long for New York to reciprocate, though.

Two minutes later, Luis Alberto scored his first goal of the season for the Arrows

and the contest was deadlocked. From that point, the 17,206 screaming fans would have to wait until the last 30 seconds of the final quarter for the contest to be decided. Even though the Steamer faithfuls was to be given a heart-stopping glimmer of hope.

St. Louis' fourth leading scorer, Emilio Romero, blasted a 30-foot shot as he stormed down the boards towards the Arrow's goal. It would have broken the 5-5 tie. And when Romero let it loose, he thought it was a sure thing. So, sure that he started his goal scoring ritual. But, he stopped very quickly when he saw the ball bounce across the goal mouth. The frustration was to continue.

As the time ticked down the final minute, New York's David D'Errico battle the ball away from Steamer Ty Keough. As the ball scooted to Arrow Alberto, he sent it down the floor to, who else, but Zungul. It was the Steamer's final mistake.

St. Louis keeper, Ilevski came out to meet Zungul and knock the Arrow scoring machine down. But Zungul,

Lindsay to be on Wide World

SAN DIEGO, CAL. — It's a rare item to have a celebrity in our midst, but Granite City has one. Dave Lindsay, a 1976 graduate from Granite City North, won the Men's World High Diving Championship here Saturday. His performance will put him on Wide World of Sports, Saturday, April 4 at 4 p.m. on KTVI, Channel 2.

In the preliminary rounds Friday, Lindsay was fourth in the competition. Diving at 100 feet, Lindsay came on strong to win the championship the next day.

Drop opener to Marist

Warriors slide by New Lenox

By TOM SCHOCKER
of the Press Record

GRANITE CITY — It may have been only the second game of the season, but the way the Granite City South baseball team reacted after its thrilling 6-5 come-from-behind victory over New Lenox-Provident of Chicago here Friday, you would have thought it had just won the state championship.

After Warrior head coach John Modica had shook hands with the Celtic team members following the game and was heading back to South's side of the field, he broke out a big smile. He had every right to be happy. Besides it being his first head coaching victory, New Lenox came into the game with a pretty good reputation. The Celtics had won the Class A state title in the 1978.

"I like those type of games," said Modica. "It was really fantastic and I'm happy for the kids. I hope this will motivate them, now."

The way the contest was progressing, it looked like, if nothing else, it was going to be a good practice for the Warriors. They hung tight, though, and trailed 5-3 entering the last half of the seventh inning. Their final at-bat.

With one out, Ken Wilson stroked a single. It was followed by a John Linhart double to left center field. Rick Daily then came up with a clutch base hit, sending Wilson home and moving Linhart to third. A strike out and South was down to its last out.

While Warrior sophomore Phil Dudak was battling the New Lenox pitcher, Daily took off for second. The throw from the Celtic catcher hand-cuffed the second baseman and squirted towards first. Linhart remained on third, despite the screaming of the crowd and intrusions of Modica.

"When I saw the ball in the dirt, I had Linhart going," said Modica. Linhart's decision paid off.

Dudak fouled the next pitch off and the New Lenox hurler tried to make him strike out on a bad ball. The pitch found the dirt and eluded the Celtic catcher back to the screen. Linhart scored and Daily never slowed down as he rounded third. The loss back to home trying to nail Linhart got away and Daily slid across the plate with the winning run.

"We tried to move people all around," said Modica. "We could run before because we were behind. It was do or die in that last inning and when Rick (Daily) saw the ball thrown away, he kept going. The kids did it all, though. Hopefully it will get us going and put us on the right track. Maybe it will make them believe in themselves. The scene at home plate, with the Warriors mobbing Daily, looked like South believes."

Daily's effort was only the culmination of a fine total performance. Starting on the mound, he was racked for four runs before being lifted

in the fourth, but his contribution with the bat more than made up for it.

He drove in South's first run of the game in the opening inning with a sacrifice, batted out two hits, including a double, scored two runs and drove in another in the thrilling seventh frame. "We really look to Daily for the big hits," said Modica. "But there are other people that will have the ability to hit the ball better."

The Warrior's Mike Zukas hurled the final inning and picked up the first pitching victory for South. It's kind of ironic, though. It was Zukas' first inning pitched on the varsity level.

South wasn't so fortunate here Thursday night in its season home opener. Playing good competition is fine, but taking on two state title holders in as many nights is pushing your luck. The Warrior's lost to Chicago Marist 7-1 in their first game of the year. The

Redskins, however, were the Class AA state champions in 1978. Their power was too much for South.

Managing just one hit is not going to help matters much, either. The Warrior's cracked only one hit in the game and it came in the second inning when Daily doubled. He came around to score on Clark's bounce that was fumbled by Marist for an error.

South was still in the game, too, as it cut the Redskins' margin in half, at 2-1. "We were in the game until the fourth inning," said Modica. "But, we made one big mistake. We let a fly ball drop in the outfield with two outs and nobody on. It just opened the gates for them."

Marist made good on its opportunity and went on to score four runs in the fourth inning. "It was the first time we had seen live pitching, but you can't do much if you can't hit the ball," said Modica. "We had our chances."

Trojans run behind Indians in triangular

HIGHLAND — Finding that extra something to put the Madison Trojan track team over the hump has been hard to come by in recent days. The Trojans just couldn't handle the Mascotah Indians in a quadrangular meet here Thursday.

Although Madison chalked up 55 points, which was four better than Jerseyville, 51, and a good distance from host Highland at 36, Mascotah left a considerable gap as it scored 103 points to win the meet.

The problem of placing first, plagued the Trojans once more as they had to run second fiddle behind Mascotah in a majority of the events. Madison captured only three first place spots and fell short on four other occasions.

Richard Borney of Madison ran to victory in the 400 meter dash with a time of 52.7 seconds. The Trojan's Charles Fuller took a third at 53.2.

The pole vault belonged to Trojan Bernard Harper. He placed first with a vault of seven feet, six inches.

The only other top spot grabbed by Madison was by its mile relay team. The foursome of Fuller, Harper, Borney and Elmer Collins out-distanced the field with a time of 3:41.6.

Second place honors went

to the Trojan 400 meter relay squad. Finishing behind Mascotah, the team of Fuller, Borney, Shawn Brown and Tyrone Manzy came in with a time of 45.8 seconds.

The 800 meter relay team also had to take a back seat to the Indians as Trojan's Brown, Manzy, Harper and Tyrone Branch finished at 1:38.0.

Fuller took a second in the 100 meter dash for Madison. His time was 11.7 seconds. Jeff Robertson was final second place finisher as he threw the next best discus toss. His throw measured out at 107 feet, 10 inches. Trojan Latham took a fourth at 36 feet, six inches.

Madison included Collins in the triple jump. He placed third with a leap of 38 feet, 10 and one half inches.

Harper also took a third. His placing came in the shot put as he pushed it 41 feet, eight and one half inches. Latham placed fourth in the event at 41 feet, five inches.

The three and four spots were again occupied by a Madison member when John Lewis grabbed a third and Collins finished in fourth in the long jump. Lewis' jump was 18 feet, nine and one half inches. Collins leaped 17 feet, seven and half.

Washington

(Continued from Page 11)

Warrior's had owned a 2-1 lead going in to the fourth frame. However, the Panthers pulled out three singles, a triple and a sacrifice to give the winning 4-2 edge. "You can't expect

to win ball game with only two hits," said Modica.

South got its pair of tallies in the third when Steve Ficker singled, Troy McElroy walked and John Linhart sacrificed them away. Clark's shot was bobbled and the two base runners cross the plate.

Geisler takes sixth in Track Classic IV

CHICAGO — The field was experienced and talented. With a field that included 11 of the best indoor milers in the state, Geisler crossed the finish line with a time of 4:28. Although placing sixth, Geisler was satisfied but felt he could have run better. "I expected to run faster," said Geisler. "I was figuring on a time around 4:25, but there was some pretty good performances. It was good

experience for me, though." The winning time was completed by Fred Crawford from Fremd Palatine High School in 4:20. And Geisler was in most of the race. "It was a quick pace and I thought I could stay with it," said Geisler. "I was fourth with about 300 yards left. But, I kept my eyes on the third place runner and my head was down. When I looked up, the first two runners were 10 yards away. That's pretty far for as little as there was left to run."

Geisler was at a disadvantage in the race. Most of the other runners had already competed in eight indoor meets, whereas Geisler was running in just his third. "I would have had to keep that early pace to stay with them," said Geisler. "I just got fatigued at the end. But, I'm satisfied with what I did."

Madison drops second

ROXANA — After rain washed out the Madison baseball team's contest with East St. Louis earlier in the week, the Trojans attempted for the second time to record their first win of the win here Thursday. Maybe third time will be a charm.

Behind a lack-luster hitting performance, Madison fell trail the Roxana Shells early and never gain the strength needed to overcome the difference. The Trojans dropped to 0-2 on the season as the Shells pulled a 7-0 shutout.

Coupled with six error, Madison's lone hits came from just two players. Ed Forister batted out a single and Wallace ripped two hit including a triple, but the base knocks just didn't come at the right time.

Roxana planted two run in the first inning and, for all practical purposes, the game was over. Forister started on the mound for Madison and was assaulted with 11 base hits, but lasted the entire game.

North loses to East

GRANITE CITY — The Granite City North baseball team never really got a full chance to make good on its home opener against Belleville East here Thursday. The Steelers dropped their record to 1-1 with an inning shorter 3-1 loss.

The contest was called after six innings because of darkness and it really could have been prevented. "You always hate to lose a six inning ball game," said North head coach Bob Stegemeier. "You feel like you're being cheated. When you're behind, you want to get that extra bat."

The problem started when East was late getting to North's field. With a 4 p.m. starting, the Steelers were late and ready, but Belleville didn't arrive until 4:20. "I don't want to use it

as an excuse," said Stegemeier. "It was East's fault. They had problems getting a bus, but that's part of high school baseball. It was probably just as aggravating to them as it was for us waiting. Then East had that long bus ride. So, I'm not making excuses."

However, the wait seemed to bother North more than it did the Lancers. East built a lead with a tally in the fourth and a pair of runs in the fifth. North just couldn't find an eye for the ball. Managing only four hits, the Steelers finally got on the scoreboard with a run, in what turned out to be the final sixth inning. The Lancers' starting pitcher suffered some control problems and walked North

first run in. The Steelers still had the bases loaded with a chance for the tie, but failed when the next batter struck out.

"Everyone strikes out," said Stegemeier. "But, you can't score when you do. We have had a number of people strike out with runners in scoring position. When we did hit the ball, it was right at people. We were just flat, that's all."

Darkness may have played a factor in the crucial sixth inning as Stegemeier questioned whether the teams should have played that inning either. "It was getting pretty dark," said Stegemeier. "I knew there was no way we could complete another inning. But you always want to get another chance."

SIUE splits with Illini

By AL BARNES
SIUE Sports Information Director

EDWARDSVILLE — The Fighting Illini of the University of Illinois and the Cougars of Southern Illinois University at Edwardsville split a wild and wooly doubleheader here Saturday.

SIUE's here Saturday, the Cougars' first frame runs, Nymman, who is having some troubles after a

man-handled the Illini's ace southpaw, Rick Filippio, for five tallies on five hits. The Cougars' red-hot hitting junior left fielder, Darrell Wehrend, opened with a slashing single to center, the first of his four in five trips for the game.

Ed Kopff's tripled to center to score Wehrend. Hits by Stewart, Tom Greco and Vince Nymman (a two-run RBI double) accounted for the Cougars' first frame runs. Nymman, who is having some troubles after a

shortstop, went two-for-four (both doubles) and one-for-two in the finale. But, the Illini, aided and abetted by gusting winds up to 35 miles per hour and five consequent SIUE fielding errors, registered three, four-run innings, plus a three-tally frame, to pull the game out of reach. The U. of Illinois' husky third baseman, Bob Kopale, went four-for-four and drove in

four runs to pace the Illini's 21-hit attack. Over that same stretch, the Cougars were collecting 15 safeties.

In the night cap, the Cougars got another smooth mound job from their junior ace from Wood River, Joe Silkwood who, despite giving up 11 hits, including a homer and three triples, nevertheless was able to close the door on the Illini when they threatened to come close by the Cougars' first frame. His control was near perfect as they didn't issue a walk.

Tom Ritzheimer, the Cougars' ace senior right hander, was the Illini's victim in the first game, but came back to redeem himself in the second fray as SIUE's Designated Hitter. He went three-for-four, including a big triple in the Cougars' seven-run fourth. His two other hits were a single and a double. Wehrend continued his hot hitting also as he blasted a triple and a double in two official trips up. Tom Greco, SIUE's second baseman from Granite City, collected three hits in five trips and drove in a trio of key runs.

Tornado time is here again

There is no rhyme or reason to a tornado's erratic and destructive path. The most violent and deadly of nature's storms, twisters race across the ground at up to 70 mph and have killed 312 people since 1975. (Southwestern Illinois is one of the target areas.)

During 1979 alone, 852 tornadoes killed 84 persons, injured 3,077 and caused property damage "well in excess" of one billion dollars," according to the National Oceanic and Atmospheric Administration.

Half of all tornadoes are spawned between March and May, as moist air from the Gulf of Mexico collides with cold, dry Canadian air. The resulting mass of rotating air spins between 150 and 500 mph, depending on the tornado's intensity.

When conditions are conducive to tornadoes, the National Weather Service issues a tornado "watch."

A "warning" is issued once a tornado has been seen, often giving residents only minutes to seek safety.

"You probably won't be able to prevent damage to your home if the twister veers your way, but you can protect yourself and your family by acting quickly and correctly," an official says.

He suggests familiarizing every member of the family with the following tips, given by the National Weather Service.

—Stay inside.

—If there is time, open all windows and doors of your home to equalize air pressure and prevent the house from exploding. However, stay clear of all windows as the tornado nears.

—Go to a basement or storm shelter if possible. Open any basement windows and take shelter away from them under heavy furniture.

—In apartments, houses or offices without basements or storm shelters, go to a first floor inner hallway, closet, doorwell or windowless bathroom. Lying in the bathtub under a mattress is relatively safe shelter.

—Keep a tornado kit at your pre-determined shelter. The kit should include a flashlight, portable radio, supply of batteries, blankets and first-aid supplies.

—Don't attempt to pick up children from school. Most school buildings are safer than homes.

—Usually, it's unwise to try to outrun a tornado by car. Get out of your car and lie in a ditch with hands protecting your head.

However, if you feel you must attempt an escape by car, drive away from the tornado's path at a right angle.

—If you live in a mobile home, seek other shelter immediately. (Even ditches are safer.) Damage can be minimized by securing the mobile home with cables anchored in concrete.

—Before a tornado threatens is the time to learn the safety tips. It's also the time to take some simple safeguards which could speed up insurance settlements should your home be damaged," the official adds. He recommends the following:

—Read and understand your insurance policy, making sure you have adequate coverage for your property's current replacement cost.

—Take, and regularly update, an inventory of your personal property so you and your insurance company can more accurately determine the extent of loss. Keep copies of the inventory and your insurance policy in a safe deposit box or other location away from the home.

—If your home is damaged, minimize further loss by making temporary repairs.

—Contact your insurance agent as soon as possible.

REFUGEE ENTRY

On March 26, 1979, Attorney General Griffin Bell approved the entry of 35,000 more Indochinese refugees into the United States between April 30 and Sept. 30.

Army bonus

The Army has raised the maximum cash bonus for qualified enlistees choosing certain specialties to \$5,000, according to Lieutenant Colonel Joseph M. Lukitsch, U.S. Army St. Louis District Recruiting Command commander.

The \$5,000 bonus is available to qualified enlistees who join the Army for four years as infantrymen, indirect fire infantrymen, heavy antiarmor weapons crewmen, cannon crewmen, cannon fire direction specialists, fire support specialists, armor specialists or cavalry scouts.

The Army pays cash bonuses of \$1,500 to \$4,000 for an additional 35 specialties in fields including foreign languages, electronics, construction, field artillery and combat engineering. The local Army recruiter has more information on the cash bonus program.

Sheltered care home dedication

Madison County Board Chairman Nelson Hagnauer on Friday, April 3, will rededicate the County Sheltered Care Home facility in honor of the International Year of the Disabled Person. The sheltered care facility serves as a residence for 64 persons in need of an assisted living environment. In 1980, the county, with the cooperation of the Illinois Department of Public Health and through the resources of

its Community Development program, pledged itself to the upgrading of the sheltered care home. Included were installation of a fire sprinkler system, new wiring, development of handicapped access ramps, and installation of fire escape structures. The major renovation guaranteed the future operating existence of the sheltered care home, Hagnauer said.

On April 3, the county will rededicate it at a special ceremony involving House and Senate members, the Madison County Board,

families of sheltered care home residents, and friends of the sheltered care home. An open house is scheduled at the facility immediately following the dedication.

Need more rate hikes—Bell

Illinois Bell invested nearly \$684 million to maintain and improve telecommunications services in 1980, an increase of \$50 million from 1979, President Charles Marshall said in the company's annual report.

The company reported an all time high of 8,556,000 phones in service at year's end. The telephone network handled a record average of 45 million calls made by Illinois Bell customers each weekday in 1980.

Despite these achievements, the company's net income decreased 1.2 percent to \$256.2 million from the previous year's record of \$259.3 million. Marshall reported that the earnings drop reflected overall weakened economic conditions.

"Considering the economic climate, we are pleased with our 1980 financial performance, but we are not satisfied," Marshall said. "Even though we face increasing competition in nearly all our products and services, we

will spare no effort to make 1981 significantly better."

In November, the Illinois Commerce Commission granted Illinois Bell \$159 million of the \$211 million the company had sought in general rate increases. This was the company's first general increase in rates for local calling plans in six years. The increase in revenues fell short of what company told the commission it needed to fully combat inflationary cost increases.

"If inflation continues at an unacceptably high level, as seems likely in the near term, we will have to seek further increases to maintain the quality service our customers want," Marshall said.

Marshall noted that Illinois Bell's productivity improved by four percent in a year when the nation's business community experienced a decline in productivity. "This is a major reason the price for telephone service remains as low as it does," Marshall said.

During the year Illinois Bell negotiated new labor agreements with unions

representing about 26,000 employees. The three-year contracts provided for immediate wage increases and benefit improvements, along with provisions for additional improvements and cost-of-living adjustments in 1981 and 1982.

Mother-Daughter banquet planned

The Every Member Busy Circle of Nameoki United Methodist Church will hold its annual mother and daughter banquet on May 11 at the church. A salad luncheon will be served at 6:30 p.m. in keeping with a "countrytime" theme, it was announced.

Members gathered in the home of Mrs. Helene Bischoff, 1603 Anos Ave. for the session which was opened with prayer by Alice Beck.

The lesson on The Resurrection was presented by Betty Robertson, and Mrs. Lois Holsinger read a poem entitled, "Christ Among the Crowds."

Other events of interest announced during the evening included the church bazaar which will be held at the church on Oct. 24, a United Methodist District meeting, April 4, in Collinsville.

Vera Pettman will be the featured speaker and has selected "Susana Wesley" as her topic. Also a retreat is set for Sept. 11 and 12, it was noted. A discussion was held on sponsoring a rummage sale with the date to be announced later.

Mrs. Corrine Dawson invited the group to meet in her home for the next meeting.

The meeting closed with a circle of prayer.

Others present were Betty Weston, Dorothy Luckert, Ruth Hancock, Luan Briner, Alta Stewart, and Jonie Patton.

Roubena Society hosts potluck
The Roubena Chapter of the Armenian Relief Society hosted a potluck Lenten dinner last week at the St. Gregory Armenian Apostolic Church, 1734 Maple St.

The Rev. Khoren Habeshian, a guest at the session, offered the invocation.

After dinner President Varujan Cherkonian conducted a meeting and reports were given by chapter officers.

Azniv Tatation, of the chair committee, reviewed the committee's plans and Ways and Means Chairman Margie Sisoian spoke on a fund raising project.

The president announced the Midwest Regional Seminar will be held in Chicago on April 4. In closing, Mrs. Arley McFall, Evelyn Mangiaracino.

The remainder of the afternoon was spent playing cards and games with prizes going to Lester Thiele, Art Rankin, Evelyn Morgan, Juanita and Tom Crowley, Arley McFall, Evelyn Mangiaracino.

HAGNAUER'S TAX INCREASES

On Monday, March 23, 1981, page 6, in an ad in the Granite City Press-Record, Mayor Schuler stated that the increase to the county tax rate was 20% over the past four years.

This increase was due to Chairman of the Board, Hagnauer's budget. Dan Partney has not voted for a budget of the county in the last four years because of the excessive spending which causes higher taxes.

The Rev. Arvin Twietmeyer officiated at the 6 o'clock evening ceremony.

Organist Denise Rankin accompanied Dan Hunnicut as he sang, "Wedding Song," "O Father All Creating" and The Lord's Prayer.

Escorted to the altar by her father, the former Miss Szczepanik wore a formal white Chantilly lace over taffeta gown complemented with a double fingertip veil of bridal illusion bordered in matching lace and secured to a lace and pearl profile headpiece.

Silk Venise lace created a bib effect on the molded bodice which was encrusted with seed pearls and also featured full bishop sleeves.

The semi full skirt was encircled with an organza flounce and merged into a chapel train. Her bridal bouquet was an arrangement of white blossoms intermingled with greenery and tied with white streamers.

Maid of honor Jo Anderson selected a long romance blue qiana dress fashioned with a ruffled, cap sleeve and triple tier skirt. She held a single long stem white rose.

The bridesmaids included Jackie Sudholt, Mae Tolbert, Mrs. Denise Settle and Darlene Rutkowski, a cousin of the bride.

They were attired in Royal blue gowns identical in style to the honor attendant. Each bridesmaid also held a long stem white rose.

Amy and Shawn Gooch served as the flower girl and ringbearer. She was dressed in a pastel blue chiffon over qiana frock featuring long puff sleeves and empire waist enhanced with a white floral lace trim.

She carried a basket of rose petals.

Pat Olson attended the groom as best man. Dr. Larry Rapp, a brother of the groom, Herb Bischoff, Rex Underwood and Kevin Bunch, served as groomsmen.

Jim Harmon, Randy Higgins and Ron Keeton seated the guests.

Immediately following the ceremony a reception was hosted at Engelbert's Hall in Madison. The rehearsal dinner was held at Charlie's Restaurant.

Mrs. Lorene Klobe attended the guest book.

After a wedding trip to Tan-Tan-A Resort, the newlyweds are now residing in Granite City.

The bride is employed as a receiving clerk at Gilk's Department Store and her husband is a self employed farmer.

Paul Ray Bowler Doesn't Just Make Promises ... He Keeps Them PROMISES 4 YEARS AGO:

1. Stop spot zoning—update zoning ordinance
2. Be fiscally responsible.
3. Improve street conditions.
4. Improve ground water problem in Dobrey Slough
5. Help attract new industries to our city.
6. Hold ward meetings to inform 7th ward residents.

ACCOMPLISHMENTS:

1. As Chairman of Planning & Zoning the following recommendations from my committee were approved by the City Council.
 - (a) Stopped all spot zoning and special use permits.
 - (b) Instituted a comprehensive updated zoning ordinance that will protect the residential areas, but also stimulate commercial growth in designated areas.
 - (c) Fought against the commercialization of Pontoon Rd., Maryville Rd. and Johnson Rd.; also any further commercialization on Nameoki Rd.
2. As Chairman of the Finance Committee the following recommendations from my committee were approved by the City Council.
 - (a) Centralized inventory which allowed us to buy at discount prices, saving approximately 29%.
 - (b) Instituted a self-insured Workmen's Compensation Program, saving over \$54,000.

Annual Jr. Achievement finance drive in progress now in the Quad-City community

JUNIOR ACHIEVEMENT 1981 campaign is in progress here this spring. Shown speaking at last week's kickoff breakfast at Charlie's is Heidi Price, a Granite City High School South senior who is active in JA at the Granite City center, located on Wabash Avenue. Seated near her are William P. Donovan (left) of American Steel Foundries and Carl E. Mathias of Illinois Power Co.

In the other photograph, drive reports are reviewed by (left to right) James Eisenberg of Granite City Steel, Mathias, and two JA executives, regional director Terry Jarchow and Joseph Winkelmann.

Area businesses and individuals finance the Junior Achievement program, in which over 400 Quad-City high school students annually operate miniature companies—creating and

selling products—as a way of learning about private enterprise.

There are 13 JA companies at the Granite City center and five in the Madison-Venice area. The 18 firms have achieved product sales of \$11,298 to more than 1,500 customers this year, meanwhile adding \$6,000 in raw material purchases to the local economy. (Press-Record Photos)

Criticizes consent law

William L. Kempiners, director of the Illinois Department of Public Health, has joined Secretary of State James Edgar and others in criticizing the state's "Implied Consent" Law as unsuccessful in removing drunk drivers from the roads. Kempiners termed Illinois' current law "ineffective" and "too complicated and intricate to be enforced."

Kempiners was also critical of the law because of "the provisions it contains to protect the drunk driver." In addition, he cited the law's harsh penalties, especially for first offenders, as "counterproductive" in that "they are so stiff they generate sympathy for the drunk driver."

"Many judges and juries," he said, "are reluctant to impose stiff penalties on drunk drivers because most people can relate to the drinking driver. Many people like to have a drink or

two and then drive home. But, what most people do not realize is that the average blood alcohol content of a person arrested for drunk driving is about 20 percent. To reach this level, a 150-pound person would have to drink at the rate of approximately ten drinks in one hour." In Illinois, a driver is considered as driving under the influence if his blood alcohol content is 10 or higher.

Kempiners said that the harsh penalties contained in the current law also often result in charges being amended to lesser violations which do not affect driving privileges.

"As a result," Kempiners said, "law enforcement officers become discouraged because the two or three hours they must spend with each driver who is stopped for drunk driving, often go for nothing."

Kempiners is calling for a new state law that will

contain the following provisions:

- Blood and urine tests, as well as breath tests, to determine whether the driver is under the influence of marijuana or drugs other than alcohol. These tests would be administered at the discretion of the arresting officer.
- A six-month (rather than three-month) suspension of the license of any driver who refuses to take a breath, blood or urine test.
- The admissibility in court, without the consent of the defendant, of the results of chemical analyses made to determine whether the driver was under the influence. (Under the current law, this evidence is admissible only with the consent of the defendant.)
- The admissibility in a legal proceeding of evidence of a driver's refusal to take the breath, blood or urine test. (Under current law, this evidence is not admissible.)

Six Flags to open April 4

Six Flags Over Mid-America will open its 10th anniversary year of family entertainment Saturday, April 4 at 10 a.m. At that time, the 200-acre theme park will debut the "JetScream" looping roller coaster and a unique lineup of 10 new shows designed to entertain every member of the family. In addition, park officials have planned a special grand opening ceremony.

Six Flags will be open on Saturdays and Sundays only from April 4 to May 17. Beginning May 19, the park will be open Tuesdays through Sunday until Labor Day. Six Flags is closed on Mondays June 1 through August 17.

Six Flags offers a one-price admission to more than 100 rides, shows and adventures which guests may experience as frequently as they like during their visit. For information on group rates, operating hours or special events at Six Flags Quad-City, call (314) 339-5300.

New faces on council should include Dallas, Kittel, Varadian, Milton; keep Schuman, Sprankle, Bowler

While the mayor of the city is generally seen as having the most power for directing the city's future, the aldermen truly are the workhorses who help get the job done and who make most of the important decisions. Recognizing the importance of the aldermen to the future of the city, after careful consideration of the candidates' backgrounds, past actions and promises, we make the following endorsements:

Ward One—William "Bill" Dallas Sr., a former alderman from 1963 to 1971 is our favorite, based on his experience and past performance, although we believe Casmer Skubish served well as an alderman before and also could do well in the next four years.

Incumbent Alderman Charles Douglas has tried hard to represent the residents of his ward, particularly those living in Kirkpatrick Homes, and has tried to make the council live within its rules; but based on his inconsistent voting record, the fact he has antagonized several fellow aldermen and city officials, and several incidents of what we feel was poor judgment (such as the time he singlehandedly forced the council into a night-after-Christmas meeting to pass an \$8 million bond issue for Pre-Cast Metals and then failed to attend the meeting), we cannot support his re-election.

Ward Two—Alderman Fred "Pat" Schuman rates endorsement on the basis of his record as an alderman, particularly his hard work and long hours on the council's negotiating committee. Joseph McGinness is a sincere, likeable young man who may have a bright future in politics, but we feel Schuman has earned re-election.

Ward Three—Carl J. Kittel is preferred, although both candidates, Kittel and Nelson Dunlap, have been active in the community and could serve well, we believe. Kittel has devoted much time as chairman of the Granite City Home Rehabilitation Board and has shown his

knack for getting concrete results as a member and past president of the Downtown Restoration Society.

Ward Four—Alderman Glen Sprankle has served his ward well and deserves re-election. Opponents Sharon Job and John Zikovich merit consideration, but Sprankle has played an active role in many of the city's accomplishments since 1977 and has taken his committee assignments seriously, particularly the pollution plan committee.

Ward Five—Jake Varadian would be an active alderman. He has shown his enthusiastic interest in the community through numerous volunteer programs, many requiring long hours and hard physical work. His interest in youth could help bring a new dimension to the council. Alderman Lloyd Bailey has been conscientious, particularly in keeping the 19th Street overpass a priority project, but we would like to see Varadian have a chance to show his leadership.

Ward Six—Walter Milton is our choice from among four good candidates. Milton has shown his concern for this community in many ways and is known as a tireless and efficient organizer. Stephen Saltich also would be a good choice, but Saltich currently is a valuable asset to Granite City as president of the School Board and could not serve on both groups. Woodrow Moad and Bill Smithson also have shown active interest in the community and could serve well. In the Sixth Ward, it is just a shame that only one candidate can win.

Ward Seven—Paul Ray Bowler gets our endorsement for his active role on the council the past four years and his tireless work, particularly as chairman of the finance committee. His opponents, Michael Werth and Ronald Markarian, probably could serve well but are inexperienced in elective office. We believe it would be in the best interest of the ward and the city to retain Bowler.

Urge careful choices in Nameoki for peace, progress

Now comes the time for election endorsements in Nameoki Township, never an easy task. A friend recently commented that political feelings are so divided in the township that you could run Goddard against the Lorie Ranger and the vote would end up 51 to 49 people.

This year, the Progressive Action Party headed by Richard "Dick" Kismar opposes the United With Progress party, headed by former township supervisor Harry Briggs. We recommend voters avoid straight party voting, believing that the township needs a balance between the two sides. All residents need to be represented.

For supervisor, Kismar is recommended as a relatively young, energetic and politically experienced candidate. Briggs served for 16 years, during which the township grew, but in which there were many squabbles. We feel the township could run more effectively under Kismar's leadership.

Supervisor Harold Davis is running for highway commissioner on Briggs' ticket. We feel Davis would be a better purchasing procedures and make more efficient use of time than current Highway Commissioner Frank Melchic.

Dave Partney, who has been an active

member of the Granite City Board of Education, is endorsed for assessor. Over the incumbent assessor, Carl Macie, Property assessments have followed a chaotic pattern in recent years in many townships. This has not necessarily been a problem for Nameoki, but perhaps a new approach might be worth trying.

Norman Hall is our choice for tax collector. Over the incumbent, Freda Bellow, Mr. Bellow has done a good job and undoubtedly will continue to do so, if re-elected. We have been impressed by Hall's energy in organizing meetings on taxation and attempting to get laws changed for the benefit of taxpayers. He served well on the Granite City School Board and has shown a knack for bringing persons of opposite viewpoints together, something the township needs.

For trustees, four of the eight candidates will be elected April 7. Our choices are incumbents W. Lee Adams and Jerry Adams from the United With Progress Party and Don M. Wilson and Jan Langenstein from the Progressive Action Party. We feel they can aid in bringing a "balance of power" to the township without losing two of the board's most experienced members.

Sparks, Eberhart, Mrs. Polley deserve re-election

Experience counts and Chouteau Township Supervisor Walter "Dick" Sparks has plenty of experience. We recommend that he be re-elected.

He also has shown bravery, knowing that serving as the former chairman of the county's special sewer committee—formed to put in the new sanitary sewers—would hurt him politically. But he thought of the township's future, rather than taking the easy road of "no sewers—no sewer taxes."

We also endorse for re-election Town Clerk Patricia Polley and Tax Collector Cletus Bedwell.

We suggest for assessor Darrol Daugherty of the Chouteau Independent

Party. A supervisor of material handling for McDonnell Douglas Corp., he has developed recommendations for impartial assessment procedures.

Highway Commissioner Wilfred "Bud" Eberhart has done an outstanding job in taking over a department dead in debt and putting it "in the black" within a few years. While he has received criticism for not doing some jobs the township could not afford, he has shown fiscal responsibility and should be retained.

We recommend re-election of Trustees Dudley Liebert, Thomas Johnson and Steve Novosel and believe either Golden Barton or Juanita Barnes would do a good job as the fourth trustee.

Qualified candidates seeking 3 Pontoon positions

Four candidates are seeking three seats on the Pontoon Beach Village Board in April 7 balloting and only one of the candidates, Donald C. Rea, is an incumbent. Trustees Duane Skinner and Raymond Gaudette Jr. are retiring from the board. We believe Rea deserves re-election,

based on his many years of service to the village. Robert Vincent has served on the village's Zoning Board of Appeals and also would make a good choice.

The other candidates are Joyce Hastings and Robert Abel; either could serve well.

Assessor able, fair, experienced

To the Editor:

In my opinion, Von Dee Cruse, incumbent assessor of Granite City Township, is indispensable in his performance of duties of an assessor.

He deals with all taxpayers in a fair, honest, compassionate way and with

the highest integrity. Cruse has exhibited a comprehensive knowledge of his duties as an assessor and believes in equalized assessments for every taxpayer.

To reevaluate Granite City every year could only mean higher assessments and, thus, possibly higher taxes.

I believe in keeping a competent and experienced man in this important office. Will readers join me on this belief, April 7, in retaining the best qualified person for this important office?

Cruse letter just a political ploy

To the Editor:

I am sure most of the older taxpayers who received the Dear Senior Citizen letter from Von Dee Cruse resent paying for his political pitch at their expense.

How? Because he had new stationery printed up with his new chief deputy assessor just three weeks before election not knowing whether it would be any good three weeks from now or not.

The letter (now, in March)

comes to tell us to come to his office next January.

Why now? If he was as solicitous of older citizens, why did he not do that last December or January?

Why? Because he is using this as a free — paid by the taxpayers — political mailing.

He had all our names and addresses from past tax records and could have written such a letter last winter — but we were not voting then.

NOT BLIND TAXPAYER

Lack of fire safety

To the Editor:

I'm sure most of your readers are aware of the recent rash of tragic fires in public places. Because of fires, I've become more aware of the emergency exits when I'm in a crowded public or private building.

A recent glaring example of a lack of good fire safety was noted recently at Granite City High School North. The event was the Metro East-Metro West Wrestling Match. The gymnasium was packed.

It was upon leaving that I noticed the ingredients for what could have led to tragedy. Being seated at the top of the bleachers on the far side of the gymnasium, I was one of the last to get into the throng waiting to leave. I was wondering what I was taking so long to clear the crowd in front of me. When I finally worked my way forward, I noticed that everyone was leaving through a single door side exit. What I saw directly ahead was absolutely un-

believable. The main double door exit, with a red-lighted exit sign above it, was not only closed, but chained and padlocked. I shudder to think what would or could have happened had there been a flash fire.

I talked to a high official of the Granite City Fire Department the next morning, and before I got to the part of the story about the chained and padlocked main exit, he said, "Don't tell me. Let me guess. They had the exit door chained again." I said, "That's it. How did you know?" He said the Fire Department has repeatedly talked to both North and South High Schools about this very violation of the fire code.

I hope this letter will stir enough interest and bring enough pressure to bear upon those who are able to correct this "disaster waiting to happen," whether it be the School Board, Fire Department, or administrators at the Granite City High Schools.

'Moonlighting' income is reportable on income tax

Income earned while "moonlighting" is taxable and must be reported on the Federal tax return, whether the payment is received in a regular payroll check or in cash. The following questions and answers deal with some of the main points of reporting "moonlighting" or sideline income:

Q: What kinds of occupations would qualify as "moonlighting" jobs for tax purposes?

A: Some examples are - an athletic coach umpiring a sports event in off-duty hours for compensation; a policeman doubling as a cab driver, or a school teacher babysitting during the evenings or weekends.

Q: In many cases, employers of second jobs don't furnish W-2, "Wage and Tax Statement," forms. Do taxpayers have to declare the income if they don't receive a W-2?

A: Yes, income from any source is taxable unless excluded by law. If a W-2 is not furnished, the taxpayer should keep a careful record of the dates, employers and type of employment. The income is declared on line 8 of the 1040 Form or on line 7 of the 1040A.

Q: Is income from self-employment as a second job taxable income?

A: Yes, income must be declared regardless of the amount. If you have earned at least \$400 in net profit from self-employment, you

are also subject to self-employment tax.

Q: How about a person who moonlights as a baseball umpire? Are there any expenses he or she can deduct?

A: Possible. If the job requires the person to wear special clothing, or use special equipment. The cost and maintenance of such items might be a miscellaneous deduction.

Q: How can I get more detailed information about taxable income and deductible expenses?

A: You can order free IRS Publications 525, "Taxable and Nontaxable Income," and 529, "Miscellaneous Deductions." These booklets are available by using the order blank in your tax package or calling the IRS Forms-Tax information number listed in the telephone directory.

McGUIRE JOINS U.S. AIR FORCE

Patrick D. McGuire, son of Mrs. Libby McGuire, 200 E. Cambridge, has enlisted in the U.S. Air Force, according to Sgt. Clark E. Jarrett, Air Force representative at 3675 Nameoki Road, here.

Upon graduation from the Air Force's six weeks basic military training, he will receive training in the aircraft fuel systems mechanics. He is a student of Madison High School.

Want more firemen—or medics

To the Editor:

We would like to thank those whose letter March 16, concurred with our feelings on how Hispanics are being taken for granted in this city.

However, we would like to clarify the fact that nowhere in our letter of March 5 did we say "or insinuate" that we represented the entire Hispanic community.

A coalition is "a temporary alliance of distinct persons for joint action," which is what we are.

Our coalition comprises 150 registered Hispanic voters who are not only concerned Hispanics, but concerned about Hispanics.

Our coalition has polled a majority of our city's Hispanic voters and the result has been that they are deeply concerned with the problems mentioned in our previous letter and with the following issues:

The Hispanics and our friends and neighbors in Lincoln Place and West Granite whose life might be in danger during a fire. Why? We know there have been many times that the West Granite fire station had no one to drive the am-

bulance.

When there was an ambulance call, two of the firemen had to answer the call, which left that station with only one fireman. This resulted in the fire house being called out of service.

The downtown station would then have to be called. If the downtown trucks were stopped by a train, how were they to get to Lincoln Place? Sprout wings and fly over Schuler's overpass?

Though EMTs have now been put on 24 hours a day, what is the degree of absenteeism? When absenteeism does occur, are there times when West Granite does not have a functional fire house?

Shouldn't the people in Lincoln Place and West Granite expect a fully manned fire station and ambulance service at all times, or have they been branded second-class citizens entitled to only what's left of the city's service?

The Hispanic voters and their neighbors who have to slosh through water due to the poor stormwater drainage.

Favors new leadership for city

To the Editor:

In a letter to the editor it was stated, "I hope the voters of Granite City learn from the catastrophic results in the primary election for mayor of St. Louis."

My question is what is catastrophic about that election? The new man has not even taken office.

Does anyone know what the Vince Schoemehl administration, if elected, in the general election, will do?

I am really surprised that the letter writer is all-

knowing and able to tell the majority of the people in St. Louis that their decision is going to be catastrophic.

He also stated, "We have the possibility of replacing a good mayor with a man that will do anything to get votes." I believe that is overstated.

I have not heard of one person beaten or even threatened with loss of their job if they did not support someone new.

I agree with one statement — that the people need not apologize for any of the

the fact, that the Hispanic community and this entire city have been affected by the loss of industry in this area. This has resulted in a loss of income not only to individuals but to other businesses as well.

Our Hispanic youth, who were never selected to participate in the mayor's summer employment program due to the mayor's patronage system of hiring.

We hope that voters of this city do not crawl under a rock and pretend that this city is strong and thriving. The test for Schuler and company has been the way in which they have dealt with the real issues and problems of this city, and they have failed.

We have already begun to rally our forces and we will continue our active support for Dan Partney for mayor, by using careful planning and hard work. On April 7, it will be all over. When Partney wins, he will be aware. Now strength and its relevance to his success.

Informative meetings in 7th Ward

To the Editor:

After receiving some literature from Alderman Bowler's opponent, I am compelled to write in behalf of our alderman.

No alderman has ever had a ward meeting in the 38 years that I have lived in the 7th Ward, except for Alderman Bowler.

I attended the very first ward meeting that Paul Ray Bowler arranged after his election.

At that meeting, the people themselves told Alderman Bowler to hold such meetings only three or four times a year, unless something urgent needed to be discussed, since the cost of meetings was quite expensive, with renting the hall and advertising in the paper.

So we, the people who attended that first meeting and not Alderman Bowler, changed the format.

Now, I ask the people of

the 7th Ward who else, besides Alderman Bowler, ever took the time to have meetings for the citizens of our ward, to keep them informed of what is taking place in our city government?

The answer is: No one. Let's re-elect a true representative of the people — Paul Ray Bowler on April 7.

7TH WARD VOTER

Skubish was top-notch alderman

To the Editor:

I remember when Casmer Skubish was alderman of the 6th Ward. At that time, there were 10,000 constituents in that ward.

I was delighted when I heard he is attempting to enter the political arena once again.

At that time, he had the responsibilities of family and sending his children to college; therefore, he also

held a full-time job.

Nevertheless, he was still a top-notch alderman and, always available to listen to and help the people of his ward.

He now has the opportunity to serve the people of the 6th Ward as a full-time alderman. I have utmost confidence in his ability to better our ward and the city.

While employed for the Granite City Air Pollution Board, he received verbal

praise and a commendation in the form of a trophy for his outstanding performance as an inspector.

This significantly reveals his attitude for efficiency when assigned the responsibility for carrying out a job.

I certainly hope the people of the 1st Ward will vote for Casmer Skubish on April 7.

Accomplishments in 7th Ward

To the Editor:

Have we in the Seventh Ward forgotten what it was like before Alderman Bowler was elected? Rico's was running rampant, a lounge had music going full blast, and there were no lights

along the ditch.

Alderman Bowler promised he would work diligently to solve these problems. Within a year, Rico's was closed, the lounge stopped its loud music, and the drainage ditch is now lighted.

Bowler has done much for all the ward.

He has stood up to the people and isn't it time we stood up for him?

Don't liquidate Illinois Terminal

To the Editor:

In my 33 years of railroadng on the Illinois Terminal, nothing approximating the present situation has ever existed. Until a few years ago, our railroad was noted for its ability to snatch disaster from the jaws of progress. The IT gained a dubious reputation of surviving multiple adverse setbacks with aplomb.

New, aggressive, progressive management several years ago replaced the casual caretaker type we had suffered with for so long and a real metamorphosis of the physical property began. The IT acquired new rolling stock and motive power and began an upgrading program of tie and rail renewal.

With a transfusion of hope and spirit among the employees, it accomplished last year what it had found impossible for decades. It made money.

It appears that as long as we were "fins and scales," we, as an entity, were safe. With the fleshing out of our structure, the big fish took notice of us and the Norfolk & Western with its voracious appetite petitioned the ICC to be allowed to swallow us.

Curiously enough, the major factor leading to a profitable year after those barren decades was due greatly to the fact that the IT demonstrated its ability to handle grain products out of Decatur markedly better than either the IL Central or the NW, with a

decidedly shorter turn time on empty hoppers.

The succession of factory and business closings and force reductions in this area has attained epidemic proportions.

Unfortunately, little can be done to forestall or even slightly alter these hemorrhages in our communities.

However, in the instance at hand, the N&W proposal to liquidate the IT—something can be done.

A political decision can stop the wholesale job slaughter begun by the N&W.

Of the 900-plus employees here, the N&W proposes to eliminate well over half in the very first year.

I'm sure no one needs to impress on you what happens in a metropolitan area when over \$9,000,000 of payroll ceases to exist.

That \$9 million is but the tip of the iceberg, for every facet of our society gains sustenance from that money—banks, stores, doctors, mechanics, government.

Every business that trades a service or a commodity for money will suffer if the ICC allows this travesty to come to fruition.

What of the businesses now served by the IT? They have been winned, dined and assured that not only will service be maintained, but it will be enhanced.

That chapter could carry the title, "Gullible's Travels."

In the annals of rail history, that will be a "first."

Does anyone know of a situation where lack of competition has proven more beneficial to a shipping customer than where several options are available?

In short, the Ill. Terminal Railroad Co. as it stands is spending relatively large sums of money to upgrade its property.

It maintains a work force adequate to man its facilities, and is a large contributing monetary force throughout this metropolitan area.

The ultimate consequence of the proposed liquidation cannot fully be bulldozed by the intangibles that are intrinsic to this situation—uprooted families, consequential trauma which we all suffer in varying degrees, lost homes, together with the dramatic reduction in consumer goods and taxes in many forms—all these and many more tangential factors should be weighed in the balance of justice.

So, where is the advantage in this proposed liquidation? They have tried to bulldoze re-election. As an alderman I have been associated with these men for a number of

years and I have found them to be cooperative and effective.

They were elected by you, the people of this city, and I am sure they have performed their duties to the best of their ability. Mayor Schuler, I know, has done a good job because I have worked with him both when

Says family seeks total control

To the Editor:

I don't know about anyone else, but I'm getting a little weary of attempted "takeovers" by the Partneys. I'm also alarmed at their seeming obsession to gain complete control of all facets of city and township government.

Ever since their father was defeated for mayor and subsequently passed away, they have used his money to run for office themselves and to back candidates in every race, so that if they all won, the Partneys would have virtual total control.

One of the Partneys finally spent enough money to get elected to the County Board, and another did the same to get elected to the School Board.

They have done nothing but create chaos in these jobs, with tactics designed to get a good deal of publicity. They have tried to bulldoze their opinions and pet projects through these boards.

It is to the credit of the other board members in these two groups, that the Partney shenanigans were nipped in the bud. The Partneys were not allowed to use these jobs as their latest play-thing. They now want another.

Now, they are trying desperately for control of city government and Nameki Township government.

This would put the icing on their power obsession and, at the same time, give them a new play-thing—at our expense later.

Mayor Schuler is running for re-election in company with the fine team of Hagnauer for township supervisor, Petrillo for city treasurer, Cruse for township assessor, and Stevens for city clerk.

These incumbents are tried and true, seasoned public servants. They are doing a splendid job.

As a union representative, I am proud that these

dedicated officials have been endorsed by most individual union locals and labor groups, including the Steelworkers Joint Committee at Granite City Steel and the Tri-City Trades and Labor Council.

These fine incumbents deserve everyone's support and vote, because they have supported us by doing their job well.

Finally, because of the Partneys' obsession and thirst for power, I would warn everyone to be on the alert for their familiar last-minute dirty tricks. It has happened before.

Check out everything they do. Find out the facts on their propaganda. Don't be taken in by half-truths and innuendoes.

Let's put this power takeover obsession to bed—once and for all. Vote for the Sterling team of Schuler, Hagnauer, Petrillo, Cruse and Stevens.

Poulos favors administration

To the Editor:

On April 7, you will have an opportunity to go to the polls and exercise your right to vote. Mayor Schuler and the heads of our city government are running for re-election. As an alderman I have been associated with these men for a number of

years and I have found them to be cooperative and effective.

They were elected by you, the people of this city, and I am sure they have performed their duties to the best of their ability. Mayor Schuler, I know, has done a good job because I have worked with him both when

he was an alderman and since he has been mayor.

These men are now asking you to re-elect them for another four years and I urge you to go out on election day and give them the support they deserve. Thank you.

Town Board helps control taxes

To the Editor:

The Town Board Trustees are a very important part of the township government. They control the purse strings.

They set the budget on which taxes are computed for the township. They must approve, or disapprove, all bills presented to the board. It is very important that the Board of Trustees agree on most of the issues

presented to them. A divided board could cause chaos.

We believe the Progressive Action ticket offers the unity which Nameki Township residents deserve, to achieve the principles to which the officials are committed.

The present Board of Trustees together with other taxing districts are responsible for today's high taxes.

Voters have a chance on April 7 to get rid of these high-spending people.

Helen Hawkins, Joe Garcia, Jan Langenstein and Don Wilson, candidates for trustees on the Progressive Action Party, will work with all areas of the township to help them with their problems to reach a satisfactory solution.

PROGRESSIVE ACTION PARTY

Skips the 'unimportant' meetings

To the Editor:

At a recent candidates' night, held by the Granite City Democratic Club at the Knights of Columbus Hall, a lively discussion of issues among the three candidates for mayor of Granite City highlighted the evening.

Each of the candidates repeated his basic platforms and offered rebuttals to charges by the opponents.

During the questions and answers, following the proceedings, one of the candidates for mayor, Dan Partney, who is also a member of the County Board, was questioned about his record of attendance at the board meetings.

Mr. Partney responded that he did miss many meetings when he knew there was not much on the agenda and the members were only collecting per diem pay for attending.

He also stated that since County Board members went on straight salary, his record of attendance has improved.

I was not completely satisfied or impressed by the nature of his response to the question and feel that a more specific explanation could have been given.

In a review of the minutes of the County Board, the records reveal that Mr. Partney has been absent 11 times from the 27 regular meetings held since the adoption of the straight salary at the December meeting in 1978.

Is this an indication of Mr. Partney's opinion of an effort of improved attendance?

I feel it is important that our paid representatives attend all of the board meetings when it is their responsibility to act in behalf of the citizens of our community on all measures affecting the operation of the county.

A public meeting was held at the Nameki Recreation Center on Nov. 24, 1980, to discuss the feasibility of retaining, in some manner, the transportation convenience now supplied by the Bi-State Transit System.

The meeting was organized and attended by citizens of the local area who were directly affected and were greatly in need of the transportation. All of the County Board members were invited to attend the discussion.

A proposal to formulate a Metro-East Transit District

to operate under the jurisdiction of the County Board was submitted at this meeting.

Mr. Partney attended and went on record as strongly supporting the proposal. A decision was made to review the proposal at the next County Board meeting and present it to the full membership for a vote of approval.

The records again show that Mr. Partney did not find it necessary to attend this

meeting to support an issue of this importance to the residents of our county, especially the poor and elderly who now depend on public transportation.

Is this again an indication of Mr. Partney's opinion that the agenda for the meeting was not recognized as important enough to feel he should be present, even though he was being paid a salary to attend?

Decatur a hard worker

To the Editor:

Warren Decatur who is running for mayor April 7, is our neighbor of 20 years and alderman of six years. We feel compelled to make a stand on our observations and beliefs.

He and his wife, Lorraine, have worked side by side to make this community a better place to live in ever since they moved to Granite City 22 years ago. They worked in their church and were youth leaders during the years that their children were in the church youth groups. They've worked hard in Rotary and on various community committees. When Warren first moved here he began serving on a Crime and Fire Prevention Committee and

is presently working hard as alderman to improve the city. He has three large catalogs with lists of calls from citizens and actions he took as a result of those calls to him.

He is dedicated to fighting drugs, and to implementing a much stronger crime and fire prevention program. We are asking the thinking voters of Granite City to consider voting for Decatur so that he will have the chance also to work toward renewing the downtown area and to renewing the spirit of our city.

Please read Decatur's ads which clearly state his plans for our city.

WARREN and CONNIE KRAUS

Why not an elevator?

To the Editor:

In response to the report on the sale of the Press-Record on March 19, concerning the sale of the Nameki Fire House, I too as an interested voter would like to know what happened to the \$55,000 received from the sale. Where and how is it covered?

The city council says the town meetings are to be held in City Hall; so why doesn't someone donate this seemingly lost money to the

city to install an elevator into the shaft meant for one? This elevator shaft has been there since the building was built. If you are really concerned about our elderly and the ones in wheelchairs being able to attend the council meetings put one in. Mr. Stevens says it will cost about the same amount as the firehouse sale to get it done. This would be a tax deduction in that it is being given to a municipality.

R. L. JACKSON

Saltich favored in 6th

To the Editor:

Serving on the School Board is a non-paying and sometimes a thankless job. People seek election to the School Board because of their desire to help serve the community.

During his tenure as School Board treasurer and

president, Stephen Saltich has tried his best to know and understand the problems of our community. His past efforts should not go unrewarded. He should be elected to continue serving the people as 6th Ward alderman.

TIM and SUE MASON

Hagnauer, Schuler are praised

To the Editor:

Once again we have an election coming up and once again we hear the same old "hue and cry"—we need a change.

For the life of me, I can't understand why we need to change from something good when we have something good.

The city election is the most important election we vote in. My family and I know what people like Schuler and Hagnauer can do.

We know what they can do, and we know what they have done—and we like it. As far as we are concerned, our city government is a good one.

and we want to keep it that way.

I don't want to take a chance on trading what I have for, at best, something questionable. If I feel the urge to gamble, I'll take a week off and go to Las Vegas.

JOSEPH "JAY" RAINWATER

Alleges inaction and absences

To the Editor:

Recently I received a copy of a letter addressed to Monroe Brewer, the city engineer, from Charles R. Douglas, alderman of the First Ward, who is running for re-election.

The letter refers to a situation on E. 25th Street that we, as neighbors, have been fighting for years, that

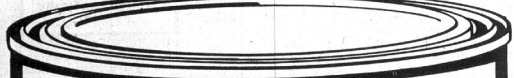

is, a multi-family dwelling instead of a single-family residence as our zoning requires.

For his four years in office, Mr. Douglas has ignored our requests for help with this situation and suddenly there is a flurry of activity on his part—not action, just activity.

If Mr. Douglas was concerned about this ward and our needs, why has it taken him four years to express that concern? Why did he only attend about half the council meetings during his term as alderman?

I hope the voters in the First Ward consider this when they vote for alderman on April 7.

OUR OLDER PEOPLE IN GRANITE CITY NEED HELP — THEY ARE NOT GETTING ENOUGH! Your township has the authority to establish a committee for Senior Citizens' services to serve without compensation and only pay expenses. This committee would be authorized to receive federal funds made available to the Department of Aging of the State of Illinois for the implementation of federally approved Senior Citizen's programs.

WE NEED TO DO MORE FOR THE YOUTH OF GRANITE CITY TO PREVENT THE SPREAD OF JUVENILE DELINQUENCY AND CRIME! A similar committee on youth is clearly authorized to prevent and combat juvenile delinquency.

The current supervisor has not seen fit to establish these committees.

TOM NESBIT pledges as Supervisor of Granite City Township to immediately establish these committees of leading citizens of the City of Granite City, and seek additional funding from State and Federal sources.

Cards of Thanks 31

THE FAMILY OF JOSEPH BLOODWORTH wishes to thank friends and neighbors for the beautiful floral tributes, food and kindness the loss of our loved one. Special thanks to pallbearers, Davis Funeral Home, Rev. Manard, Kaye Greenhill, the organist, nurses and staff at Pleasant Rest Nursing Home, Dr. Paul Biedenhorn. May God bless each one. 31 3 30

TO ALL of our very dear friends and relatives, there are no words to express the feelings we received from all your acts of comfort and kindness. The manner in which the beautiful floral tributes, messages of sympathy, and food helped show us George was loved by many. A special thank you to the wrestlers who served as pallbearers, Jan Gitcher for his thoughtfulness and Theresa Mortuary — Mrs. George Nemeth and Family. 31 3 30

POLLUTION VARIANCE

Granite City Steel Division of National Steel Corporation located at Edwardsville (Route 203) and Nameoki Roads, Granite City, Illinois has filed a variance under Title IX of the Environmental Protection Act. The petitioner requests a variance from Chapter 2, Rule 203(d)(B)(iii), of the Board's Air Pollution Rule for coke oven pushing during certain phases of construction of Battery B when construction will interfere with operation of pushing controls for Battery A.

The Environmental Protection Agency solicits the views of persons who may be adversely affected by the variance. Address any comments to: Robert C. Sharpe, Assigned Attorney, EPA, 2200 Churchill, Springfield, IL 62706.

If a written objection to the variance is received by the Pollution Control Board, 309 West Washington, Chicago, IL 60606 by April 6, 1981, the Board must conduct a hearing on the petition.

NOTICE FOR PUBLICATION

TO: LARRY EMANUEL BOOKER, FATHER OF REGINALD WHEELER, A MINOR. 31-J-19 74th and Stony, Chicago, Ill. and to All Whom It May Concern:

Take notice that on the 16th day of March, 1981 a Petition was filed under the Juvenile Court Act by Asst. State's Atty. Randy G. VOLUNTEER WORKERS. Members of the James Stuart Chapter, Order of DeMolay, wash cars at Len's Amoco Service Station as a fund raising project to aid three separate funds under the auspices of the Masonic order.

In Air Force exercise

Air Force Senior Airman Robert D. Lipscomb Jr., son of Mr. and Mrs. Robert D. Lipscomb Sr. of 3706 Pontoon Road, Granite City, participated in Global Shield 81, the Strategic Air Command's (SAC) response to a simulated attack on the United States.

The service member is among the more than 100,000 U.S. Air Force, Navy, Marine Corps and Canadian personnel taking part in SAC's largest, no-notice, 20-day training exercise.

During one portion of Global Shield, more than 500 B-52 and FB-111 bombers and KC-135 tankers took off from 70 different locations in the United States and Guam within minutes of notification. This exercise is not related in any way to real world situations, according to a SAC spokesman.

Global Shield 81 is designed to test the command's capability to carry out emergency war orders to support U.S. policy if deterrence fails. This exercise has been constructed to measure SAC's response to a set of preplanned events leading up to a simulated attack on the United States, the spokesman explained.

As part of Global Shield, some SAC aircraft deploy to civilian and military airfields selected specifically for the exercise. Additionally B-52s and FB-111s fly low-level training routes approved by the Federal Aviation Administration. The routes were preselected to help measure the simulated bombing, navigation and electronic counter — measure skills of SAC aircrews.

ROPE JUMPING DRIVE

Many area schools are participating for the first time this spring in "Jump Rope for Heart," a national event sponsored in this state by the Illinois Association of Health, Physical Education and Recreation for the benefit of the Heart Association. Physical education teachers and students are organizing rope jumping competition, with sponsors making cash pledges for the time devoted to the activity. Funds will go to research on heart and blood vessel diseases.

REMOVE TV SET

Officials of the Mexican Honorary Commission, 1801 Spruce St., discovered at 7:30 a.m. Sunday that a color television set had been removed from the basement bar and was left outside of the building. The attempted theft is believed to have occurred after 3 a.m. Sunday.

DeMolay project aids Masonic Children's Home

The James Stuart Chapter, Order of DeMolay, sponsored a weekend car wash at Len's Amoco Service Station, 2200 Pontoon Road, to earn funds to be forwarded to three separate Masonic organizations. All proceeds were divided and sent to the Illinois Masonic Children's Home in LaGrange, Ill. The Knights Templar Foundation, Springfield, Ill., and the Illinois Scottish Rites nursing scholarship fund. Members of the chapter

participating in the event were Keith Payne, Jimmy Stuart, David Trokey, Fred Trebing, Neal Mize, Jerry Singleton, David Groot, Don Payne.

Also Tim Glendenning, Pat Gibbons, Ralph McKinney Jr., Steve Elmore, Mike Hargrave, Steve Smith, Eddie Campbell and Brad Rush.

Adult advisors assisting were Charles Meyer, Jerry Singleton, Gene Payne, Charles Mize, James Stuart and Ralph McKinney.

TAKE NEW CAR

A new 1981 silver Oldsmobile Cutlass Supreme Coupe two-door auto worth \$9,799 was stolen from the car lot of Woodmore Oldsmobile, 1905 Madison Ave. between 8:30 p.m. Wednesday and 4:45 p.m. Thursday. A dealer's license plate was stolen earlier Wednesday, police were told. The ignition of the auto must have been punched, because the keys were still in the office when it was discovered the vehicle was missing.

BLEACHERS GONE

A section of aluminum bleacher seats worth \$450 was stolen from Lee Park in Venice and two speakers for the public address system were taken from the Venice Recreation Center, it was reported at 12:30 p.m. Tuesday by Larry Boyd, a park district employee.

FOOD STAMPS THEFT

Debra Murphy, 4303 Kirkpatrick Homes, reported she discovered \$114 worth of food stamps and a set of car keys were stolen from her apartment on Saturday. She said three people had been visiting her and after they left she found the food stamps and keys were missing.

GC girl named to CAR post

The 43rd annual state conference of the Illinois State Society Children of the American Revolution met at the Haldome in Mattoon, Ill., last week. Over 300 members and guests were present including Eric, Elizabeth, and Davis Wilson of the Six Mile Prairie Society CAR, Robert Tomshack, a guest, and Mr. and Mrs. Ralph A. Wilson, all of Granite City. Miss Elizabeth Anne Wilson, a freshman at Metro-East Lutheran High School in Edwardsville, was elected by the convention delegates to serve as the State Society's second vice president for the coming year. Miss Wilson will be working under the direction of Miss Dorothy Kramer, Edwardsville, the new state president elect. Miss Kramer will be installed at the National CAR Conference in Washington, D.C. next month.

Eric Wilson, president of Six Mile Prairie Society and state chairman of National Magazine, presented his reports at the business session. David Wilson served as a color bearer during the conference.

During the evening banquet, Mrs. Wilson, Senior Society president and Senior State Chairman of National Magazine, was presented a patriots pin by her son, Eric, on behalf of the members and senior officers of the Six Mile Prairie Society. This represents a \$50 donation to the organization's board of directors. Parrilli served as a color bearer during the conference.

Descendants of ancestors who fought in or aided the American Revolution and under 21 years of age are eligible to become members of CAR, an educational, patriotic, historical organization. Persons from the area who are interested in becoming CAR members are urged to contact Mrs. Ralph Wilson, 117 Riviera Dr., Granite City, Mrs. William Walton, P.O. Box 28, Shipman 62685, and Mrs. Ronald Mordhorst, 108 Concord Drive, Belleville 62223, for further information.

FOOD STAMPS STOLEN

Mrs. Ada May Davis, 2609 Buxton Ave., reported that \$65 in food stamps were stolen from her purse while she was shopping at Nameki Village and Crossroads Shopping Center, Thursday night.

FOUR-LEGGED SUPPORT for mayor candidate Jim Riskovsky in Madison who opposes Mayor Mike Sasyk in the April 7 election is seen going for a walk last week. Mrs. Irene Toenyes, 1016 Washington Ave., walks her dog, Anne Lou, each afternoon and on weekends to garner support for her candidate in the upcoming election.

Parilli to head cerebral palsy board

Bill Parrilli, 31, of Swansea, has been named as the new executive director of United Cerebral Palsy of Southwestern Illinois, according to the Rev. Roger Karban, president of the organization's board of directors. Parrilli was chosen from a field of 50 applicants.

"Bill brings to our agency a broad based background with experience in sales and management as well as in the social services," Karban said. "Parrilli, prior to accepting the position, was Southern Regional Coordinator for the Illinois Youth Services Bureau Association. He has also been instrumental in developing programs to prevent juvenile delinquency on the community level."

"We were impressed with Bill's ability to relate well with our clients at large," Karban said.

United Cerebral Palsy of Southwestern Illinois provides information, referral, follow along, and direct services through outreach to developmentally disabled persons in a seven county region. The organization is funded by the Illinois Department of Mental Health and the 708 Boards of St. Clair and Madison Counties as well as from private contributions.

34 WINDOWS BROKEN DURING WEEKEND

Alex Rusick, 2711 Idaho Ave., reported 34 storm windows, and the glass in a storm door were broken and the windshield of his auto, parked in the driveway, was shattered at 9:21 p.m. Saturday.

Rusick told police the copper lines leading from the house to an air conditioning unit were broken and the unit was damaged also. The windshield of his 1977 Oldsmobile had about 13 holes in it the size of a quarter, and it is believed a hammer was used to destroy the glass.

Neighbors heard the noise and saw a middle age woman walking between two houses in the vicinity and turn south to Michigan Avenue, according to the report.

MAYOR MIKE SASYK and the City Administration's Record
CANDIDATE JIM RISKOVSKY

The only City in the State of Illinois that is involved in black-topping all streets and alleys.

The only City in the State of Illinois that is involved in installing burglar-alarm in businesses, schools, churches and Senior Citizens homes.

The only City in the State of Illinois that is involved in having a City owned Cable TV system which will not only bring revenue to the City but will have a better selection of stations, and a better burglar alarm and fire sensor system for our citizens.

One of the few Cities with population under 10,000 in the State of Illinois that is implementing a plan to have its own ambulance service.

One of the few Cities in the State of Illinois that is implementing a plan to install 85 gallon plastic trash containers at no cost to its residents.

The only City in the State of Illinois that is implementing a plan to have a City owned Shopping Center.

Would you want a man like Mike Sasyk for Mayor who has the experience and a proven record . . . or one who has only criticism and no new ideas to offer?

THE CHOICE IS YOURS!

RE-ELECT MAYOR MIKE SASYK and THE CITIZEN'S IMPROVEMENT PARTY for CONTINUED PROGRESS

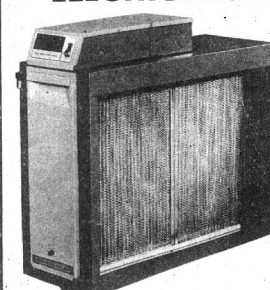

PUNCH No. 23 and No. 99 on April 7, 1981

Paid for by Al Hudzik, Treasurer

Has been highly critical of Mayor Mike Sasyk and the current City Administration, but has not yet offered any solutions or new ideas of his own.

Services for Mrs. Ruzovich

Funeral services for Mrs. Mary (Pejsa) Balcer Ruzovich, 91, of the Colonial Haven Nursing Home, were held at 10 a.m. Saturday at St. Mary Roman Catholic Church in Madison.

Mrs. Ruzovich died at 8:30 a.m. Thursday, March 26, 1981, at the nursing facility where she had resided the past seven years.

She was born in Lipik, Yugoslavia, but had lived for many years in Madison and later in Granite City.

Mrs. Ruzovich was a member of the Croatian Catholic Union of the United States.

Her husband, Caspar Ruzovich, died in 1935 and a daughter, Anna Balcer, also preceded her in death.

Among the survivors are two sons, Joseph Balcer of Granite City and Frank Balcer of Pascagoula, Miss.; six grandchildren and seven great-grandchildren.

Burial was in Calvary Cemetery, Edwardsville Township.

The Rosary was recited at 7 p.m. Friday at Sedlack Funeral Home, 615 Madison Ave., Madison.

Foundation planning \$700 scholarships

The Granite City Scholarship Foundation, headed by Norman Garrett of Granite City Steel, is soliciting funds for its 1981 program.

Funds contributed to the Foundation are used to encourage and assist graduating seniors in Granite City high schools to continue their education at accredited colleges and universities.

Awards are made to scholarship candidates on the basis of financial need, scholastic ability and the student's purpose in pursuing a college education.

The goal is to assist needy and qualified students to advance themselves and the same time, become more valuable members of the community.

Scholarship recipients will be selected in early May, and awards will be presented at Recognition Day assemblies at the two high schools shortly before the end of the school term.

This year's scholarship grant will again be \$700 per recipient. Those contributing that amount, or a multiple thereof, will be credited with contributing a full scholarship. Fractional contributions also will be utilized.

Checks are being made payable to the Granite City Scholarship Foundation, Inc., and mailed to Robert Maxwell, foundation treasurer, c/o Granite City Steel SPT, 20th and State Streets, Granite City 62040. Contributors last year were M. H. Wolfe & Co., State Loan & Savings Association, Rite Electric

Co., Prairie Farms Dairy, R. Dron Electrical Co., Minerva Women's Club, Business & Professional Women, Rotary Club, Madison County Federal Savings & Loan, Mexican Honoratory Commission, Granite City Press-Record, A. O. Smith Corp., V.F.W. Post 1300, Kiwanis Club, American Steel Foundries, Granite City Optimist Club, Granite City Steel and the Granite City Steel Labor-Management Torch Club.

Recipients were Robert T. Robles, University of Missouri-St. Louis; Martha Pickett, Southern Illinois University at Edwardsville; Sandra M. Pashea, Southern Illinois University at Carbondale; Cynthia S. Wood, SIUE; Elizabeth C. Gain, Illinois Wesleyan U.; Joan M. Hauptman, SIUE; Philip D. Beljanski, Washington University; Mark M. Kastelic, University of Illinois; Andrew G. Wheaton, Wheaton College; Catherine Reznack, St. Louis University.

Terry Singleton, Western Illinois University; Rodney Lupardus, U. of Illinois; Suzanne L. Szadai, SIUE; David Utley, Parks College; Christine Ann LaRue, SIUE; Lori Ann DeRossett, Belleville Area College; Steven Mann, Washington U.; and Joseph G. DeRuntz, University of Missouri-Rolla.

Foundation officers in addition to President Garrett and Treasurer Maxwell are: vice-president, Omar Ronk; secretary, William Bright, American Steel Foundries.

News notes

KETC Channel 9 completed its 16-day drive, Festival Nights, last week with \$229,658 raised, exceeding the \$220,000 goal; 5,267 viewers joined during the campaign. Funds will be used to purchase television programs and to meet operating expenses of the public TV station.

Richard Wood, St. Louis, won \$2,500 playing the Illinois lottery's weekly Pot of Gold game. Chain of Rocking Motel earned \$15 agent bonus on the sale of the winning ticket.

William Fever, assistant principal of Prather Junior High School, will be installed at 6 p.m. Saturday at Walton's Restaurant, Belleville, as next president of Gateway East Chapter, Phi Delta Kappa. Owen Humphrey of Granite City will be installed as historian and Wade E. James, Madison assistant superintendent, as Foundation representative.

Richard Brinkhoff, Johnson School principal, will conduct the installation and Larry R. Dew, director of Quad-City Special Education Region I, will be chairman of a program on the former American Negro Baseball League. Speakers will be Wade James, a former Brooklyn Brown Dodger; Norman "Twisted" Webb; and Joshua Johnson, former Madisonian and former New York Black Yankees baseball player.

At a special meeting at 8 p.m. tomorrow at Belleville Area College, the BAC board will consider actions to further its presidential search. Next regular meeting will be in Room 1410 of the main campus at 7 p.m. April 15.

Circuit Judge Joseph Barr on Thursday appointed Attorney William Brandt to represent Madison County Supervisor of Assessments James Barton and the Board of Review in a grand jury study of property assessment reductions.

A \$4,000 yearly pay raise, from \$28,000 to \$32,000, for Illinois legislators on Jan. 1, 1983, was proposed last week by a state senator.

Construction of river cofferdam cells for Lock and Dam 26 replacement is continuing. All vessel pilots are being reminded to reduce speed until well past the construction area, since the J. S. Bebel Co. has men, floating plant, and

equipment setting sheet piling for the cofferdams and is affected by the wake of passing traffic.

Wood River Assessor Robert Zitt was indicted by a county grand jury Thursday for alleged violation of election materials. It is contended he falsified candidacy petitions filed on behalf of Harold Pickett, a highway commissioner candidate; Zitt's name is said to have been erased and Pickett's name substituted.

State Rep. Jim McPike said Friday the general contractor for the Alton lock and dam replacement is paying taxes to Missouri which should instead go to Illinois. He said it could cost this state \$5 million in corporate and personal income taxes. He also alleged that the project improperly has been ruled subject to Missouri worker and unemployment compensation benefits at rates lower than those in Illinois.

The 36 million Americans receiving Social Security will get a cost-of-living increase in July of 11.2 percent or possibly a bit more. It is expected to raise the average monthly payment by at least \$37 to \$371.

The Illinois Commerce Commission heard final testimony Thursday on a proposed 14.2 percent electric rate hike for Illinoisans served by Union Electric Co.

A State Education Board committee voted 3-2 last week to urge making driver education non-mandatory for Illinois school districts.

Despite opposition by the Illinois Municipal League, State Sen. Sam Vadala is continuing to urge passage of his bill to prevent township area annexations by co-terminous city-townships that are expanding their city boundaries.

Ackerman Buick of St. Louis County is suing to force the Madison County Board to purchase 43 sheriff department autos from that agency. The board instead switched to a Glen Carbon dealer after learning Ackerman had asked for a license. Ackerman alleges a breach of a lawful contract. An out-of-the-court judge will conduct a hearing 1 p.m. Thursday at the Madison County Courthouse.

The Bi-State Development Agency board approved Friday a contract amendment allowing purchase of 35 additional new buses. The original contract for 136 buses was approved in March 1980 and contained an option to buy more. The agency is General Motors of Canada. The board authorized another bus fare hike, possibly raising the current fare to 60 cents for rush-hour riders, and another \$2 million in transit service cutbacks. Meanwhile, the Transit Union is urging layoffs of administrators rather than bus drivers or mechanics.

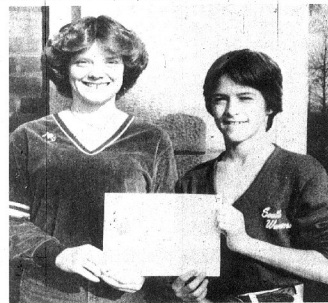

Illinois is suing Toyota to prevent the Japanese auto maker from continuing an allegedly deceptive TV ad campaign on car purchase interest rates.

Madison County ranked sixth among the 102 Illinois counties with 3,967 state workers and retirees receiving \$52 million in payroll and pension checks in 1980.

February steel imports dropped 26 percent from a year earlier to 1,200,000 tons, or 15 percent of the domestic steel market.

JOINS AIR FORCE
Michael J. Schaus, son of Mr. and Mrs. Raymond Schaus, 2200 E. 24th St. has enlisted in the U.S. Air Force Delayed Enlistment Program, according to SSGT. Clark E. Jarrett, Air Force representative at 3675 Nameoki Road. He will receive training as a law enforcement specialist. He is a student of Granite City High School South.

AT FORT HOOD
Army Pvt. Philip J. Kosydar, son of Mr. and Mrs. Leo Kosydar of 3215 Willow Ave., has arrived for duty at Fort Hood, Texas. Kosydar, a Vulcan missile crewman, was previously assigned at Fort Bliss, Texas.

CONTEST FINALISTS. Kathi Teitloff, left, and Sean McGovern, both of Granite City High School South, were among the finalists in the Granite City Optimist Club's oratorical contest recently.

SHOT ENTERS TAVERN
A bullet fired at the 19th Hole Tavern, Washington Avenue and 24th Street, at 10:50 p.m. Thursday, passed through the north wall, went through the men's restroom and exited the south wall of the building. There were no injuries. Police found a spent 9 millimeter slug south of the building and believe the bullet was fired from 24th Street. No reason for the shooting has been determined.

From
**WARREN
DECATUR**
Candidate for
MAYOR

"You are either a part of the problem or a part of the solution." DECATUR sees the problems and proposes solutions.

INSPECTION DEPARTMENT

Inspectors should be qualified for their positions, should perform all needed inspections and should be fired if they do not perform. **THIS IS NOT CURRENTLY DONE!**

PENDING

To save legal costs, the City should attempt to enter into a contract for the joint use of a full time legal staff with the Park District and Housing Authority. **THIS IS NOT CURRENTLY DONE!**

To cut expenses, the City should utilize centralized purchasing to buy paper products, equipment, tools, etc., in large quantities at low prices. **THIS IS NOT CURRENTLY DONE!**

PUBLIC SAFETY

To increase public safety, better and more extensive training programs should be established for firemen and policemen including a fire and police training area in which employees could practice skills, mandatory police and fire administration courses for all officers, and a 10-day training session for recruits to be completed before they are assigned to duty. **THIS IS NOT CURRENTLY DONE!**

PERSONNEL

Since problems occur 7 days a week, city workers, especially engineers, should be required to live in Granite City. **THIS IS NOT CURRENTLY DONE!**

Job descriptions should be provided for all city employees so that they know exactly what their duties and responsibilities are. **THIS IS NOT CURRENTLY DONE!**

EXECUTIVE LEADERSHIP

The Mayor should be willing to devote his full-time energies and talents to the improvement of the city. He should have no outside business interests to interfere with his job. **THIS IS NOT CURRENTLY THE CASE!**

World Of Music

Hank Williams Jr. finds own identity

By ROBIN WELLES

HOLLYWOOD — At 31 Hank Williams Jr. finally seems to be emerging from the giant shadow left by his famed father.

Unlike Natalie Cole who sounds nothing like her famous father, Hank Jr. for years followed faithfully in the vocal tracks of his father.

"I'd been singing Daddy's

songs almost every night for the last 15 or 16 years and I thought I knew everything there was to know about it," recalled Hank Jr. in his 1979 autobiography.

"What I'd forgotten was that knowing is not the same as feeling. I thought I knew my father, but I had let his soul slip away from me, and a lot of other people found it."

As a result, Hank Jr. left the Nashville groove and

took up with James R. Smith in Cullman, Ala., in 1974. What emerged was a fusion of Hank Sr.'s country blues, some rhythm and blues and rock 'n' roll. Since then, Hank Jr. has sounded like Hank Sr. — not Hank Sr. — and his career has prospered.

His latest album for Curb-Elektra is titled, in keeping with the new image, "Rowdy." Six of the songs were written by Hank Jr. and on one of them, "Dixie on My Mind," Waylon Jennings chips in some backup vocal support.

But Hank Jr. still keeps his father's memory alive with one song: "Ramblin' Man."

JOURNEY - Captured (CBS) — This is one of the best albums put out by the rock quintet, a free-wheeling collection of songs recorded out on the road where Journey usually is to be found. Unlike studio albums which tend toward slickness, this two-record set explodes with the vitality and spirit that only a live audience can give

to a musical performance. Songs include "Dixie Highway," "Do You Recall" and "Majestic."

EMMYLOU HARRIS - Evangeline (Warner Bros.) — They keep trying to call Emmylou a country singer, but she's got a lot more Linda Ronstadt than Loretta Lynn in her style. True, she does beautiful country work, but she also can rock with the best of them. Highlight of this LP is Emmylou teaming up with Ronstadt and Dolly Parton on "Mr. Sandman."

ELVIS COSTELLO - Trust (Columbia) — Skinny, shy and retiring, he doesn't look like a powerhouse rock star, but that's what he is — amply demonstrated on this superb album. Basically a songwriter in the tradition of Bob Dylan, Costello still can deliver a mesmerizing performance. He has, in the past, sung of hate and alienation, but he's more mature and much milder these days.

PERRY COMO - Live On Tour (RCA) — Como still has that smooth, unruffled style that has served him so well over the years. The LP is a roundup of many of his past hits, such as "Catch a Falling Star," "Don't Let the Stars Get in Your Eyes" and "Prisoner of Love." He's still a master entertainer.

BLACKBYRDS - Better Days (Fantasy) — Top soul-pop quartet is in solid, silky form on this one. The group has evolved over the years into fewer solos and more unit work. The result is a close harmony that moves as one voice. Musical backup also is first class.

Hard to be a nobody

It's not easy to be a nobody. Of the 40,000 applicants for inclusion in the 1981 edition of the book, "Who's Nobody in America," only 2,000 got in.

Egypt perfumes world

To a large degree Egypt, more than any other country, still perfumes the world as it did in ancient times. Fully 80 percent of the world's natural jasmine products, for example, come from Egypt, where specialists extract aromatic oils from the profusion of flowers, leaves, roots and herbs and export them to perfumers in Paris, London, New York and even Moscow.

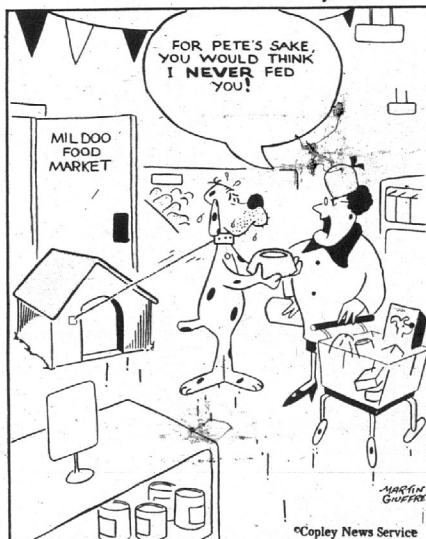

Picture on 5-cent note riled Congress

The 5-cent U.S. note issued in June 1864 was supposed to bear the portrait of soldier-explorer George Rogers Clark. But Spencer Clark, a Treasury Department civil servant, had his likeness put on it instead.

This so angered Congress that a law was passed prohibiting the likeness of a living person from appearing on U.S. money thereafter.

Festival to pacify the restless dead

A four-day festival is held in May each year on Hong Kong's Cheung Chau Island to pacify restless spirits of the dead.

Included are religious ceremonies, Chinese opera, carnival parades and a large procession on the third day with participants dressed as historical figures.

On the fourth day village elders gather good-luck buns tossed from three towers — the largest 60 feet tall — to distribute to villagers.

Trekkies are holding their breath

By THOM MEAD

HOLLYWOOD — The TV Mailbag:

Q. Is it really true "Star Trek" is returning to television as a series or is this just another baseless rumor? There are so many of us who would love to see it return. — J.D. and M.L., Pottsville, Pa.

A. For the past few years, Paramount Pictures has been planning a rebirth of "Star Trek" as a weekly television series. However, for various reasons, the re-

val of the popular 1966 science fiction series has moved at a snail's pace. Now, Paramount says it is ready to go with the project. For the thousands of Trekkies across the land, they'll believe it when they see it.

Q. What happened to CBS' new series "Secrets of Midland Heights"? Just as we were getting into the series, in comes "Concrete Cowboys." When is "Secrets" returning? — S.F. Sumiton, Ala.

A. CBS moved quickly to cancel "Secrets of Midland Heights" when it received low ratings so that it could air "Concrete Cowboys" during the crucial February ratings sweep.

Q. Could you tell me who wrote the poem that Goldie Hawn recited at the end of her recent special? — K.N., Eugene, Mo.

A. It was written by Digby Wolfe, a writer who has worked with George Schlatter, producer of "The Goldie Hawn Special," since the very successful, and funny, "Laugh-In" series. Wolfe actually wrote the poem in 1978 for another show.

A. Q. Is the Christopher Knight of the daytime series "Another World" the same person who played Peter in "The Brady Bunch"? — S.M., South Windham, Conn.

A. Yes. Knight was recently added to the cast of the NBC soap, playing Leigh, the younger brother of Clarence Ewing.
